

NEWKIRK EDUCATION FOUNDATION

Teacher Grant Application

The Newkirk Education Foundation has funds available on an annual basis to purchase classroom materials that will assist the teacher in the instruction of Newkirk Public School students. These materials that are purchased by the foundation will become property of the school system. Grant applications will be accepted for consideration during monthly board meetings. If approved, the teacher will have 60 days to order the approved items. The purchase of supplies will be coordinated through the building principal and the activity clerk.
