### Mobile Crisis Outreach Teams

Mobile Crisis Outreach Teams (MCOTs) provide face-to-face clinical assessments to individuals in crisis 24 hours a day, 7 days a week. The purpose of the clinical assessment is to determine an individual's risk of harm to him/herself or to others, and to determine the least restrictive treatment setting in which an individual can safely receive mental health services.

***The crisis team should be contacted within 24 hours of the presenting situation.***
