**Identification of LEP Students**

Within the first four weeks of the first day of school, the language proficiency assessment committee (LPAC) shall determine and report to the board the number of LEP students on each campus and shall classify each student according to the language in which the student possesses primary proficiency. A board shall report that information to TEA before November 1 each year. *Education Code 29.053(b)*

Language  
Proficiency  
Assessment  
Committees  
(LPAC)

Each district that is required to offer bilingual and special language programs shall, by local board policy, establish an LPAC. A district shall establish and operate a sufficient number of LPACs to enable them to discharge their duties within four weeks of the enrollment of English learners. A district shall have on file policy and procedures for the selection, appointment, and training of members of the LPAC.

*Membership of LPAC*

The LPAC shall include:

1. An appropriately certified bilingual educator (for students served through a bilingual education program);
2. An appropriately certified English as a second language (ESL) educator (for students served through an ESL program);
3. A parent of an English learner participating in a bilingual or ESL program; and
4. A campus administrator.

A district may add other trained members to the committee.

No parent serving on the LPAC shall be an employee of the school district.

All members of the LPAC, including parents, shall be acting for the district and shall observe all laws and rules governing confidentiality of information concerning individual students. A district shall be responsible for the orientation and training of all members, including the parents, of the LPAC.

*Education Code 29.063(a), (b); 19 TAC 89.1220(a)–(f)*

*Duties*

The LPAC shall have the duties set forth at Education Code 29.063(c) and 19 Administrative Code 89.1220(g)–(i), (k), including

duties to review information, classify students, notify parents, and monitor student academic progress.

Home Language  
Survey

A district shall administer only one home language survey to each new student enrolling for the first time in a Texas public school in any grade from prekindergarten through grade 12. The district shall require that the survey be signed by the student's parents if the student is in prekindergarten through grade 8, or by the student if the student is in grades 9 through 12. The original copy of the survey shall be kept in the student's permanent record.

The home language survey shall be administered in English, Spanish, and Vietnamese. For students of other language groups, the home language survey shall be translated into the primary language whenever possible.

The home language survey shall contain the following questions:

1. "What language is spoken in the child's home most of the time?"
2. "What language does the child speak most of the time?"

If the response on the home language survey indicates that a language other than English is used, the student shall be tested in accordance with 19 Administrative Code 89.1225 in the 2018–19 school year and 19 Administrative Code 89.1226 in the 2019–20 school year and thereafter.

LEP Classification

The LPAC may classify a student as LEP if:

1. The student's ability in English is so limited or the student's disabilities are so severe that assessment procedures cannot be administered;
2. The student's score or relative degree of achievement on the TEA-approved English proficiency test is below the levels established by TEA as indicative of reasonable proficiency;
3. The student's primary language proficiency score as measured by a TEA-approved test is greater than the student's proficiency in English; or
4. The LPAC determines, based on other information, including a teacher evaluation, parental viewpoint, or student interview, that the student's primary language proficiency is greater than the student's proficiency in English or that the student is not reasonably proficient in English.

Parental Notice and  
Consent

Within ten days of the LPAC's classification of a student as LEP, the LPAC shall give written notice to the student's parent. *Education Code 29.056(d)*

The district shall notify the parent or legal guardian in English and in the parent or legal guardian's primary language that their child has been classified as an English learner and recommended for placement in the required bilingual education or ESL program. The district shall comply with the parent notification requirements described by 19 Administrative Code 89.1040(a).

The entry or placement of a student in the bilingual education or ESL program must be approved in writing by the student's parent or legal guardian.

*19 TAC 89.1040(a); Education Code 29.056(a)*

Pending parent approval of an English learner's entry into a bilingual program recommended by the LPAC, a district shall place the student in the recommended program. Only English learners with parent approval who are receiving services will be included in the bilingual education allotment.

A district may identify, exit, or place a student in a program without written approval of the student's parent or guardian if:

1. The student is 18 years of age or has had the disabilities of minority removed;
2. The parent or legal guardian provides approval through a phone conversation or email that is documented in writing and retained; or
3. An adult who the district recognizes as standing in parental relation to the student provides written approval. This may include a foster parent or employee of a state or local governmental agency with temporary possession or control of the student.

Participation of  
Non-LEP Students

With the approval of a district and a student's parents, a student who is not LEP may also participate in a bilingual education program. *Education Code 29.058*

The number of participating students who are not English learners shall not exceed 40 percent of the number of students enrolled in the program district-wide. *19 TAC 89.1233(c)*

Students with  
Disabilities

Districts shall implement assessment procedures that differentiate between language proficiency and disabling conditions in accordance with 19 Administrative Code Chapter 89, Subchapter AA. The district shall establish placement procedures that ensure that placement in a bilingual education or ESL program is not refused solely because the student has a disability. LPAC members shall meet in conjunction with admission, review, and dismissal (ARD) committee members to review and provide recommendations about the education needs of each English learner who qualifies for services in the special education program. Prekindergarten through elementary grades: a district shall provide a bilingual education program by offering dual language instruction using one of the four bilingual program models described in 19 Administrative Code 89.1210(c). Elementary grades shall include at least prekindergarten through grade 5; sixth grade shall be included when clustered with the elementary grades. [See Bilingual Education Program Models, below]
2. Post-elementary through grade 8: a district shall offer bilingual education, ESL, or other transitional language instruction approved by TEA.
3. Grades 9 through 12: a district shall provide ESL instruction by offering an ESL program using one of the two models described at 19 Administrative Code 89.1210(g). [See ESL Program Models, below]

*Education Code 29.053(c), (d); 19 TAC 89.1205*

The district shall provide an ESL program to all English learners for whom a district is not required to offer a bilingual education program, regardless of the students' grade levels and primary language, and regardless of the number of such students, except in cases where a district exercises the option to provide a bilingual education program that is not required by law [see below]. 19 TAC 89.1205(c)

A district is authorized to establish a bilingual education program even if the district has fewer than 20 English learners in any language classification in the same grade level district-wide and are not required to do so under the law. A district is also authorized to establish bilingual education programs at grade levels at which the
