

NORTH LAMAR

INDEPENDENT SCHOOL DISTRICT

We are so pleased to dedicate our gym in honor of North Lamar teacher, coach, and current school board president, Sheila Daughtrey. She was an incredible coach and is a beloved member of our community. We are honored that her legacy will live on in our gym. We will work to continue her legacy by being a place that encourages physical activity and competitive spirit in our students. We will also strive to be a place that lives up to the level of kindness, friendship, and support that Sheila embodies. We thank Sheila for her dedication and contributions to our school and community and we are honored to dedicate our gym in her memory. Please join us on January 27, 2023 for a reception honoring her, followed by the gym dedication during halftime of the Paris vs. North Lamar game.
