

FT. COBB-BROXTON SCHOOLS

P.O. BOX 130 FT. COBB, OK 73038 PHONE (405)643-3110

The Fort Cobb-Broxtton Board of Education and Administration support our school employees in their effort to advance a budget, or legislation that would increase funding for public education and salary increases for teachers and support personnel. Due to lack of funding it has become increasingly harder to provide our students around the state and in our community with the quality education that they deserve. The most valuable resource that our students have is our local school staff.

Fort Cobb Broxtton school employees, with support from the board of education, have chosen the following option to participate in the teacher walkout.

Fort Cobb-Broxtton school employees will observe the April 2nd teacher walkout with school being dismissed on April 2nd. School will resume as normal on April 3rd with a small group school employees going to the State Capitol to rally and represent our district until this issue is resolved.
