Face Coverings

Face coverings are required by all students and staff at Hugo Middle School when social distancing is not possible.

Face coverings must be worn properly covering the mouth and nose.

Students may bring their own or be provided one by the school.

Masks may be removed inside the classroom if social distancing is possible or when classrooms have protective shields between students.

Exceptions are allowed for the following: when eating meals, during recess, physical education, athletics, band, or other settings where social distancing is possible.

Persons with a medical condition or disability that prevents wearing a face covering must provide a statement stating as such from a physician.
