

Great Turnout for Meet the Candidates on Monday

A Meet the Candidates event was hosted on October 10th, 2022 by the Student Council at the Rec Center. During this event, plenty of County position candidates showed up to address the community's questions and concerns. Most of the event was focused on the two candidates for Sheriff, Terry Wetherill and Fred Hosselkus. The two candidates gave their opinions on emergency service related topics throughout the town of Creede and even some involving Creede High School.

Fred Hosselkus mentioned during the whole event that he did not see much problem with the way policing has worked during the past 25 years he has been Sheriff. Terry Wetherill, on the other hand, saw that there was a severe lack of law enforcement presence in Mineral County. He discussed plans to increase the amount of personnel in Creede along with increasing the amount of training Law Enforcement requires.

One of the main topics that was brought up was the protection of school grounds. Fred Hosselkus supported the idea of arming certain school administration and staff, as long as it was the correct people chosen. He mentioned that he had already been discussing the matter with school officials and administration. Terry Wetherill supported the idea as well, as long as the ones obtaining the firearm have gone through the proper training. He also brought up the idea of involving the ALICE Program and instructing teachers and students on how to actively protect themselves in the case of an emergency.

There was a large community presence, and they were heavily engaged with the candidates asking questions and giving opinions. The current candidates this cycle are Libby Lamb and Stacia Birdsey for Mineral County Assessor, Amy Wetherill for Mineral County Treasurer, Scott Lamb for Commissioner District 1, Jimmy Adelman for Mineral County Coroner, Eryn Wintz for Clerk and Recorder, and Terry Wetherill and Fred Hosselkus for Mineral County Sheriff.

According to Eryn Wintz, ballots should be mailed out at the end of the week.
