

Life is
uncertain,
but your child's
education doesn't
have to be.

Even if you lack a permanent residence, your children can enroll in school or stay at their home school.

We can help with:

- **Immediate free meals**
- **On-line school registration**
- **Required supplies & fees**
- **Community referrals**

Under the McKinney-Vento Education Act schools can help provide school stability for your child if you do not have a permanent home and are:

- Not living in your own housing due to foreclosure or eviction
- Staying with friends or family because you lost housing due to economic hardship
- Living in a shelter, including transitional housing programs
- Staying in motels because you cannot get your own home
- Living on the streets, in a car, van, tent, camp ground, or other non-permanent structure
- Living without running water or electricity
