

LAWTON PUBLIC SCHOOLS

Educational Options for

Return to Learn 2020-2021

We Are LPS: Commitment, Safety, & Partnership

Lawton Public Schools is committed to educating all students in a flexible, safe and individualized learning model that best fits the needs of our students and the comfort levels of our families. Families will have the ability to choose the model that works for them. The models are built with stability in mind for our students regardless of the environment or circumstance.

The district has created opportunities for our students to continue receiving district services as well as participating in

extracurricular programs/activities, concurrent enrollment and career tech education.

The safety and well-being of our students and staff is the central focus as preparations continue for the start of the school year.

District implementation of safety measures aligned with current guidance from county and state health experts have already started. Weekly meetings with local officials and state representatives remain in place as well as.

This is a team effort between our staff, students, families and community. We will get through this pandemic and school year successfully, but we need your support and partnership.

We will continue to keep our lines of communication open with our LPS family.

If you have any questions or need assistance, please reach out by phone (580)357-6900 or email: info@lawtonps.org. Stay connected by following us on our social media pages and website: www.lawtonps.org.

TRADITIONAL MODEL

(HYBRID-**See Below*)

Grades PK-12

Learning and participation will take place in person at school campus.*

BLENDED MODEL

Grades 6-12

Learning and participation will take place in person at student's school campus in addition to online curriculum.

VIRTUAL MODEL

Grades K-12

100% Learning and participation will take place online.

**The district will offer virtual days for Traditional (Hybrid) students who through circumstances (inclement weather, utility outages, or health & safety days) require short-term virtual instruction. **LPS will address the educational needs of students w/disabilities that are served on an IEP or 504.*
