## **X-Tended Time Program Information 2019-2020**

1. Once parents sign up for a program (AM/PM, AM, or PM) they are responsible for the payment, even if their child does not attend every session, for as long as the child continues in the X-Tended Time Program. Written notification from the parent will be necessary to drop a child from the X-Tended Time Program.
2. Parents will not be allowed to enroll in the X-Tended Time Program for the 2019-2020 school year until all 2018-2019 extended day fees are paid in full if any delinquent charges exist.
3. Payment is due on the first school day of each month. A late fee of \$10 will be assessed for payments received after the 10th of the month. After the month's conclusion, parents will be denied access to the program until the month's payment has been paid in full. If a parent fails to pay on time for two months, the parent may be denied the right to the program. Lawton Public Schools employees who owe delinquent X-Tended Time Program charges will be referred to the payroll department for payment through the payroll deduction process.
4. Payment notices will be provided by posting the information at the school on the bulletin board and in the office. Therefore, the parent may not receive a monthly statement. The schedule of fees is outlined in the parent X-Tended Time Program handbook and on the LPS website ([www.lawtonps.org](http://www.lawtonps.org)) under Departments tab, Elementary Education.
5. If parents are using the X-Tended Time Program drop-in program, they are responsible for paying at the time of service. Balances created from pre-paying for unused drop-in services will not be refunded or rolled over at the end of the year.
6. If your child is not picked up prior to 5:30 p.m., we will wait until 6:00 p.m., at which time we will call the Lawton Police Department and/or LPS Police Department to pick your child up and transport the child to the Department of Human Services where you may pick them up. Upon the second occurrence, the parent may be denied the right to the program.
