

From Dr. Bauter

Thank you for working hard, putting in extra hours, keeping your grades up, and enjoying the success that comes from this wisdom:

“Whatever your hand finds to do, do it with all your might.”

Go Wildcats!

Celebrations/Congrats

Armond Willingham and Sydnee Burleson are alternates to State in the CX Debate competition, having performed VERY well in a heated day that came down to three tie-breakers. Lexi Vine and Jon Ferguson debated in this competition as well.

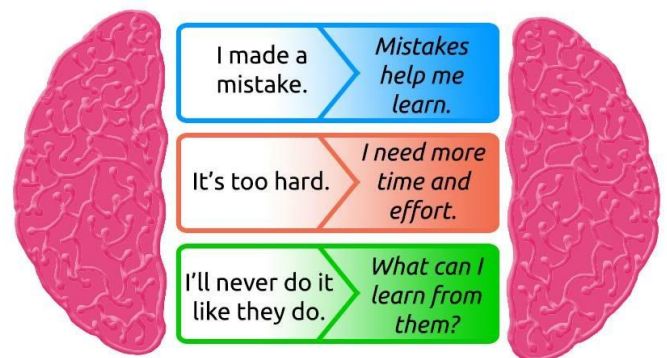

Floral students have been working at a Longview florist this week, an invitation on the heels of their work at the Texas Floriculture convention two weeks ago in Tyler.

Varsity boys' basketball are District Champs! They cut the net down Friday night after their 36-point lead over Harleton. Success is sweet, isn't it?!

Think about it

How not to end a class presentation:
“So.....um.....yeah.”

Seniors

The senior slide show needs your pictures in it! Please get together with your parent(s) and find the pictures you want in the slide show. Contact Dianela Trejo for details. Deadline for pictures to be guaranteed in the slide show is March 1.

Take care of grades. You're running out of time to make up for lack of effort.

Come to school. Missing school now can put you at risk of graduating with your class or graduating at all. Make sure you are here every day.

Baseball/Softball Players

If you drive to school and want to move your car to the baseball/softball complex after 7th period, please contact your coach for details. Follow the rules so the privilege isn't revoked for all!

Additional

❶ Ladies, please do not bring blankets to school to "snuggle up" in during class. As you've probably heard me say, school is practice for a job; it is not practice for how to lounge in your living room. Wear appropriate layered clothing so you can adjust to a warmer classroom by removing a coat, jacket, or sweater.

❷ Teachers have been asked to write a pass if you have to leave class to the nurse, library, content master or other situation. Please be respectful to teachers and patient as they write a pass. Being out of class should be the exception, not the rule.
