

From Dr. Bauter

This week I was so proud to see the athletes honored at the athletic banquet. Chantel McClelland and Jacob Shipman won the Ladycat and Wildcat awards. When Coach Minter presented Jacob's award, he talked about how Jacob would come home from a baseball game and still go work out to prepare for track. As a result of his discipline, he made it to the Regional meet, where he ran against--and kept up with--athletes with much more innate ability.

Marcus Allen placed 4th in the State. 4th fastest two miler in his classification. That's his second trip to State this year—the other coming in Cross Country. Marcus ran his races well because he put in his practice. Yes, even when he didn't feel like doing it.

Seniors who are graduating with honors could've chosen NOT to do the work, or the extra work, or to do it well. But a successful person with a championship attitude can't allow himself or herself to give up or be lazy. Congratulations to all the students out there who exhibit the habits of success. Thanks for your hard work that makes Big Sandy HS special. Enjoy the fruits of your labor—the honors, awards, and moments in the spotlight.

Go Wildcats!

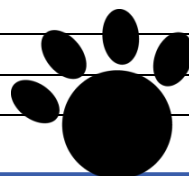

ONE OF THE MOST
IMPORTANT KEYS TO
SUCCESS
IS HAVING THE
DISCIPLINE TO DO
WHAT YOU KNOW YOU
SHOULD DO, EVEN
WHEN YOU **DON'T**
FEEL LIKE DOING IT.

Celebrations/Congrats

**Marcus Allen placed 4th in State in the 3200m run.
So proud of his Championship Attitude and work ethic.**

End of Year

Don't forget you need to turn in your laptop and power cord, so now is a good time to clean your room and find them.

You'll need to turn in all library books and clear all fees/fines at the end of the year.

Work hard on your final grades and preparing for final exams.
