Counselor's Corner

Being unable to manage their feelings and emotions can sometimes prevent students from being successful in school and getting along with their peers. Teach your child to use the steps below when they are upset, feeling overwhelmed or out of control.

5 Steps to Managing Big Emotions

1. Remind yourself that it's never okay to hurt others.
2. Take 3 deep breaths or count slowly to 10.
3. Use my words to say how I feel and what I wish would happen.
4. Ask for help to solve the problem.
5. Take time to calm down.

Device Management

If your child has brought their iPad or Chromebook home, please make sure that they are returned to school daily fully charged along with the charger. Our teachers are incorporating technology in their classroom instruction on a daily basis so it's important that each student has their device ready to learn each day!

Report Cards

Report cards will be going home, Thursday, January 7th. Please go over the report card with your student.

This is a great opportunity to celebrate their successes and make goals for the second half of the school year. You don't have to return the report card to school, it's yours to keep!
