## **SCHOOL HEALTH & WELLNESS**

Parents are encouraged to become involved in all aspects of their students' lives at Prairiland ISD. Prairiland ISD's Wellness Policy and School Health Advisory Council(SHAC) policies promote student health and wellness in all areas of students' lives. These policies may be viewed at this location or "Board Policy" listed under "Board of Education" on the "Admin" tab section of this website.

Prairiland ISD's SHAC committee regularly reviews and assesses the district's Wellness Policy making recommendations for implementation and revisions. Parents and community members are encouraged to become a part of this process. Policies are assessed at the end of each school year. If revisions to the policies are needed, updates begin at the first meeting of the new school year.

Anyone interested in becoming involved in this endeavor may contact the following persons for more information:
