Local area SHAC committees met on Wednesday, November 6, 2019 at Lewis Hall, Paris Regional Medical Center at 12:30 pm.

Lunch was provided by PRMC. A program on measles was presented by the hospital's infectious disease nurse. After the presentation, attendees grouped into their respective school districts to discuss their agendas.

Prairiland ISD SHAC discussed the measles epidemic in detail.

District Wellness Plan was reviewed, discussed and approved with no changes as outlined, with a unanimous vote by all attending.

County counseling services were presented and discussed by Ms. Brown, local Lamar County Health Department representative. Information on school counseling services were obtained with contact information for further inquiries as needed by each school campus.

Meeting was adjourned.
