

Mineral Springs School District

While the Governor announced the lifting of the statewide mask mandate requiring all Arkansans to wear masks while in public, this does not change the guidance and recommendations given to schools by the Arkansas Department of Health and the Department of Education.

Throughout this school year, Mineral Springs School District has followed the requirements outlined in a COVID-19 School Board Resolution, passed by the board in August. These procedures have allowed us to maintain a safe, healthy environment for our students and staff. Mineral Springs School District will continue to abide by the COVID protocols in this resolution, including wearing masks, until the end of this school year. Students and employees of Mineral Springs School District must continue to wear masks at school and at all school events until further notice. In addition, we encourage your input concerning our Ready For Learning Committee and School Board's decision to maintain the protocols set forth at the beginning of the year concerning COVID-19 issues. Any comment and/or suggestion received will be considered by the Ready for Learning Committee and subsequently our School Board. Comments and/or suggestions may be sent to the Superintendent, Mr. Billy Lee at billy.lee@msisd.net or our COVID Point of Contact, Ms. Wendy Reed at wendy.reed@msisd.net.

We appreciate your support and cooperation in this matter.
