

**Algebra 2**  
**Week 26**  
**Mr. Whitmire**

**Monday**

Today, students will look at graphing square root equations with a  $b$  in the equation.

Assignment: 2/21 Graphing Square Root Equations w/ a  $b$  problems 1-6

**Tuesday**

Today, students will have an introduction into graphing cube root equations. The only thing that will change in each equation is the “starting point.”

Assignment: 2/22 Graphing Cube Root Equations WS 1-6

**Wednesday**

Snow Day

**Thursday**

Snow Day

**Friday**

Virtual Friday Assignment: YouTube video over graphing Cube Roots
