

Geometry
Week 28
Mr. Whitmire

Monday

Law of Sines

Students will look at how to find an angle using Law of Sines.

Assignment: To our assignment from last Thursday, worksheet Law of Sines WS, we are going to add problems 6-10 all.

Tuesday

Today, students will use Law of Sines while learning what it means to “solve a triangle”.

Assignment: Law of Sines WS 11-13, 15, 17-20

Wednesday

Many students are gone today. More Law of Sines and “solving” triangles review.

Assignment: Law of Sines WS #2 problems 1-4 on the first page.

Thursday

Sct 14.2 Law of Cosines

Today, students will learn Law of Cosines.

Assignment: P-#643 problems 4-14 evens
