

ACT Method Test Prep Opportunity

All EHS students now have access to ACT Method Test Prep. This program can be accessed through your student's Career Cruising Account. Students have a variety of ways to complete the test prep program.

- 1- Students may access this program from any computer any time by going to the EHS webpage, clicking on the Counseling tab, and on the Career Cruising logo. Log in instructions are provided.
- 2- Students will be using some of the test prep materials through our College Prep course. Sign up for this course for the 2019-2020 school year will occur in February during our enrollment period.
- 3- Students will have the option of enrolling in a "zero" hour here at EHS. Teachers will be supervising a 45 minute period, 2 times a week, before or after school, for our students to come in and work on the Method Test Prep program. This option is a commitment on your student's part – as they are expected to attend all meetings for the 4 week session. It is our hope that this accountability and time set aside to work on the program will help students be successful.

Please return the bottom portion of this paper if you wish to be added to the waiting list for the Zero hour ACT Method Test Prep class at EHS. Spots in the class are available on a first come, first served basis, but priority is given to upperclassmen. More sessions will be offered depending on requests submitted. There is no early bus or late bus, so families must provide their own transportation.
