Whitehouse Independent School District Whitehouse High School

2019-2020 Campus Improvement Plan

Board Approval Date: October 14, 2019 **Public Presentation Date:** October 14, 2019

Mission Statement

The mission of Whitehouse ISD, the standard of excellence, is to inspire and equip students through innovative and challenging opportunities.

Vision

Above all, students first!

Core Beliefs

We believe faith and family are the foundations of our community.

We believe our children's success is our highest priority.

We believe each student's unique gifts and abilities have value.

We believe that supportive relationships are the foundation of learning.

We believe everyone has the right to a safe and caring environment.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Student Achievement

Student Achievement Summary

STAAR Performance:

Course	Approaches	Meets	Masters
All Tests:	85%	66%	28%
ELA/Reading (English I & II)	77%	59%	13%
Mathematics (Algebra I)	88%	59%	33%
Science (Biology)	92%	72%	33%
Social Studies (US History)	94%	80%	52%

College, Carreer, and Military Ready Rate: 66%

Five-Year Graduation Rate: 96.6%

Student Achievement Strengths

Student performance data indicates achievment in Science and Social Studies EOC. Within these subjects students excel, with a high percentage of students achieving the masters level of performance.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): The accountability STAAR Performance for the 2019-20 school year in ELAR EOC combined will be approach at 81%, meet at 63% and master at 17%

Problem Statement 2 (Prioritized): Provide ongoing engaging professional development opportunities for faculty to show a 15 - 20% increase on teacher survey.

School Culture and Climate

School Culture and Climate Summary

As stated in the district's belief statements, students and staff have the right to a safe and caring environment. WHS will work to improve the school climate and culture through training, communication, evaluation of programs, the building of relationships and assessment of such things as attendance, dropout rate, course selection, etc.

School Culture and Climate Strengths

The implementation of Professional Learning Communities has increased collaboration among teachers and created a collegial environment.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

In an effort to attract and retain quality staff, the campus will work to create a healthy school climate, provide quality staff development and training, mentor new staff, and after walkthroughs and observations, provide targeted constructive feedback concerning instruction to help improve student outcomes. The campus is working to improve communication between all stakeholders.

Staff Quality, Recruitment, and Retention Strengths

Having a vertically aligned curriculum and providing the opportunity to meet as a PLC has improved the overall professional climate, resulting in a higher quality teaching staff.

Parent and Community Engagement

Priority Problem Statements

Problem Statement 1: The accountability STAAR Performance for the 2019-20 school year in ELAR EOC combined will be approach at 81%, meet at 63% and master at 17%

Root Cause 1:

Problem Statement 1 Areas: Student Achievement

Problem Statement 2: Provide ongoing engaging professional development opportunities for faculty to show a 15 - 20% increase on teacher survey.

Root Cause 2:

Problem Statement 2 Areas: Student Achievement

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- Student Success Initiative (SSI) data for Grades 5 and 8
- Running Records results

Student Data: Student Groups

- STEM/STEAM data
- Dyslexia Data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Discipline records

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus leadership data
- Campus department and/or faculty meeting discussions and data

Parent/Community Da	ta
---------------------	----

• Parent surveys and/or other feedback

Goals

Goal 1: Student Achievement: All students will meet or exceed Federal, State and District student performance standards. Funding Sources: SCE = \$318,740 FTE's = 4.62, Title II = \$500, ESSER I = \$157,691 FTE's = 1.67, Carl Perkins = \$49,505 FTE's = 1

Performance Objective 1: 1) The accountability STAAR Performance for the 2019-20 school year in ELAR EOC combined will be approach at 81%, meet at 63% and master at 17% 2) Meet the target for Growth in ELA/Reading; 3) Decrease the performance gap between Economically Disadvantage and Non-Economically Disadvantage students.
