

USSA

Leadership Conference 2021

Sponsorship Opportunities

Sponsors play a key role in enabling USSA to meet the Professional Development of our members, and in turn providing greater visibility of your company before our members. Our conference will be held at The Artesian Hotel September 29- October 1, 2021, in Sulphur.

Our conference provides you, with the opportunity to develop relationships with the most innovative and creative educational leaders in Oklahoma, and a chance to share how your products and services can help them better serve their students, teachers, and communities.

In appreciation for your sponsorship, your company will receive various benefits depending on the sponsor level you choose.
