

Students are assigned to a school bus route at the beginning of each school year. To make special bus requests, please send a written request to the Hoehne School Superintendent for consideration, depending on availability.

Hoehne School realizes that occasionally students may need to ride a different bus. Due to space restrictions, we need as much notice as possible to accommodate your request. A written request must be turned into the school office no later than 9am the morning of the request to obtain a bus pass. The pass must be given to the bus driver at loading time. Due to COVID, bus passes CANNOT be issued for the 2020-2021 school year. ONLY ASSIGNED busses may be ridden by students.

School hours are from 8am to 4pm. Elementary students begin loading busses in the afternoons around 3:45pm. If you need to make a change in transportation, re: pick up your child or have them ride the bus instead of previous arrangements, please call the school office NO LATER THAN 3:15pm!! It helps our teachers if you write a note in their elementary planners if a change in normal transportation is needed for that day. Thank you so much for all your cooperation!
