COLLEGE PREPARATORY ACADEMY

Educating leaders of character since 2013

HAWK WEEKLY

VOLUME X | ISSUE 4

19 SEP 2022

***MISSION STATEMENT** NVMI develops leaders of character by providing a rigorous seven-year college preparatory program to promote excellence in the four pillars of academics, leadership, citizenship, and athletics*

SUPE'S CORNER -

Those of you who were at the Pass in Review last Friday heard me talk about the tragedy at Bernstein HS where four students took pills and one died from an overdose of Fentanyl. During this month devoted to mental health awareness, I encourage families to talk about this tragedy and the fact that NVMI has many, many counselors available to help any student who is feeling sad, anxious, angry, lonely, confused, or any feeling they would like to talk to a professional about. It is critical that we as a society stop making people feel like talking to a counselor is something bad or to be ashamed of. It isn't. It is normal and healthy for someone to talk to a professional counselor when they are hurting the same way we talk to a medical doctor when we are physically sick. If a student needs to talk to a counselor, they can let any adult at NVMI know and they will be directed by that adult to the counseling personnel. You can always send an email to vdeavila@novamil.org if you would like to tell Ms. DeAvila about your child or yourself or a friend who needs help. NVMI prioritizes mental health, and for that reason has nearly 20 counselors to help those in need.

BLOOD DRIVE: If you are interested in donating blood on Thursday, 09/22/22 please contact Ceci Loza via email at cloza@novamil.org and donors must be at least 16 years old with a signed parent consent form. Forms are available in the Main Office. Donors will also receive 50 merits and a T-Shirt!

CONGRATULATIONS TO: Charlie Company who won the Book Fair honor unit points.

NVMI APP: NVMI has an app that has tons of helpful information, including the uniform of the day and bell schedule, student hall pass, and a place to record homework. See the flyer later in the Hawk Weekly for info on downloading it.

Congratulations to Charlie company who had the highest attendance at Back to School Night. Everyone who attended will earn 100 points. Everyone who took the time to fill out the passport will be earning Honor Unit Points for the company. They are being tallied now!

NO CELL PHONES OR OTHER ELECTRONICS should ever be visible or audible at any time on campus. We ask for everyone's cooperation in ensuring that all students who carry their cell phones to campus use them appropriately. Students have reported calling parents for minor information. If it's an absolute emergency, please contact the Main Office to communicate with your child.
