***MISSION STATEMENT** NVMI develops leaders of character by providing a rigorous seven-year college preparatory program to promote excellence in the four pillars of academics, leadership, citizenship, and athletics.*

SUPE'S CORNER -

COVID RESPONSE: COVID is obviously rampant in Los Angeles County and everywhere else. Being fully vaccinated is a critical way to avoid hospitalization and death. Please be sure you read my email sent out on Friday regarding quarantining and County of Los Angeles guidelines about people who are or are not fully vaccinated who have been exposed to COVID. The link to the county document is here: http://publichealth.lacounty.gov/media/coronavirus/docs/HOO/HOO_Coronavirus_Blanket_Quarantine.pdf

If you are quarantining, it is important you notify the school office via email so we can mark your attendance as such. It is also important you maintain email contact with your teachers or professors so they can help ensure you know what you should be working on from home. We do not want people to fall behind. Remember we are not doing live zoom classes during winter, but we can help with independent work from home.

NVMI will offer another clinic on Friday January 28 from 1130AM-7PM.

SCHOOLSITE COUNCIL: The January School Site Council Meeting will happen on Saturday January 15 from 8 to 930 am. This meeting will ONLY be offered on Zoom in an abundance of caution regarding COVID protocols. **The link for that meeting is:** <https://novamil.zoom.us/j/96096878449>

DR. NEAL LESTER is the world's leading expert on the N word. We have invited him to come speak to our students on Friday January 21 at 10AM for about 90 minutes, followed by a question-and-answer session. As you may remember, I put several articles in the Hawk Weekly about the use of the N word and how it is against NVMI policy for this word to be used at all by students or staff in any context. Dr. Lester will help students understand the history of this word and why its use is inappropriate and hurtful.

He will also be conducting a PARENT WORKSHOP and question-and-answer session on Saturday January 22 at 9AM in room 66. We are strongly encouraging all parents to consider attending. We will also make it available on zoom live if you would like to participate in that manner.

Dr. Lester will also be presenting to our staff on Friday January 21. We are honored and thrilled to have this expert come share his wisdom with our entire school community and we look forward to his time with us.
