

**GRANT SUB-AGREEMENT BETWEEN
PASADENA AREA COMMUNITY COLLEGE DISTRICT
AND
NORTH VALLEY MILITARY INSTITUTE COLLEGE PREPARATORY ACADEMY**

LA-22 NORTH VALLEY MILITARY INSTITUTE: STRONG WORKFORCE

This grant sub-agreement (hereinafter “Agreement”) is entered into on this 1st day of January, 2022, between Pasadena Area Community College District (hereinafter “PACCD”) and **North Valley Military Institute College Preparatory Academy** (hereinafter “SUBCONTRACTOR”). PACCD and SUBCONTRACTOR may be referred to individually as a “Party” and collectively as the “Parties” in this Agreement.

WHEREAS, PACCD was selected to serve as the Fiscal Agent for the **K12 Strong Workforce Program Pathway Improvement – Round 4 2021/2022 funds** for Los Angeles County, (hereinafter “Grant”) from the California Community Colleges Chancellor’s Office, Workforce and Economic Development Division, hereinafter “Prime Sponsor,” to sub-grant and contract with Local Educational Agencies to implement career education, K-12 to community college pathway improvement projects that connect to in-demand, high-wage occupations in the region; and

WHEREAS, PACCD has the right to enter into agreements with outside entities for various services with the approval of the Board of Trustees; and

WHEREAS, SUBCONTRACTOR has agreed to participate in the purpose of the Grant according to the terms and conditions hereinafter set forth.

NOW, THEREFORE, the Parties hereby agree as follows:

ARTICLE I

1. **Statement of Work**

SUBCONTRACTOR agrees to perform the work in the Scope of Work (*Exhibit A*) approved by the PRIME SPONSOR, which by reference is incorporated into this Agreement. SUBCONTRACTOR agrees to comply with all provisions, to perform all work as set forth in this Agreement and the aforementioned Statement of Work in a professional, timely and diligent manner.

2. **Period of Performance**

The period of performance for this Agreement shall be from **January 1, 2022** through **June 30, 2024 (30 Months)**.

3. **Total Cost**

The total cost to PACCD for performance of this Agreement shall not exceed **\$ 500,990.00**

4. Budget

SUBCONTRACTOR agrees that expenditure of funds under this Agreement will be in accordance with the Scope of Work (*Exhibit A*) submitted by the SUBCONTRACTOR and approved by the PRIME SPONSOR and/or PACCD, as appropriate, which by reference is incorporated into this Agreement. Modifications to the budget are allowed without prior approval, as long as the total dollar amount is not affected and the outcomes of the Agreement will not be materially affected.

5. Payment and Invoicing

Payment to the SUBCONTRACTOR shall be based on an advanced payment of **70%** and a progress payment of **30%**. Payment is contingent upon approval by the PRIME SPONSOR. Payment will not exceed the amount listed above under Article I.3. "Total Costs".

SUBCONTRACTOR must submit invoices for payment via email to Salvatrice Cummo scummo@pasadena.edu, and **copy Denise Vidrio** (dmvidrio@pasadena.edu) in the email. The subject line of the invoice should be as follows: **"INVOICE K12SWP PI ROUND 4 2021/2022 North Valley Military Institute College Preparatory Academy."**

6. Reporting

SUBCONTRACTOR will provide reports as requested or required by the PRIME SPONSOR, in a timely manner. PACCD will provide report requirements and instructions to the SUBCONTRACTOR.

7. Expenditure of Grant Funds

SUBCONTRACTOR agrees to comply with all Grant requirements and that it is solely responsible for the appropriate expenditure of all Grant funds received and for any misappropriation or dis-allowment of Grant funds.

8. Modifications

If the SUBCONTRACTOR wishes to make substantial changes to the scope of work, then a revised scope of work that describes the requested changes and their impact to the budget and outcomes must be submitted to PACCD and approved by the PRIME SPONSOR. Substantial changes are those that would represent a significant deviation from the approved scope of work and would lead to different outcomes or fall outside of the generally understood purpose of the use of the funds. Changes in methods of implementation (i.e., the means by which the approved scope of work is implemented) or movement between budget line items would not be considered substantial changes, and would not require prior approval.

9. Time Extensions

SUBCONTRACTOR must spend all of the funds allocated through this Agreement within the timeframe of the Agreement.

10. Independent Contractor

SUBCONTRACTOR agrees that the service provided hereunder are rendered in its capacity

as an independent contractor and that it is not in any way an agent of PACCD, nor shall its employees be entitled to any personnel benefits of PACCD whatsoever.

11. Subcontract Assignment

Unless specifically noted in the Scope of Work (*Exhibit A*), none of the duties of, or work to be performed by, SUBCONTRACTOR under this Agreement shall be sub-contracted or assigned to any agency, consultant, or person without the prior written approval by the PRIME SPONSOR. No subcontract or assignment shall terminate or alter the legal obligation of SUBCONTRACTOR pursuant to this Agreement. SUBCONTRACTOR shall ensure that all subcontracts for services and contracted staff are procured in a manner consistent with state guidelines. Upon request, SUBCONTRACTOR shall submit to PACCD copies of all sub-contracts for services and contracted staff, and other agreements, as well as documentation indicating the approving authority's approval that relate to this Agreement.

12. Record Keeping

SUBCONTRACTOR agrees to maintain project records for possible audit for a minimum of three (3) years after final payment or until any audit findings have been resolved, unless a longer period of records retention is stipulated.

13. Audit

SUBCONTRACTOR agrees that PACCD, the PRIME SPONSOR, the Bureau of State Audits, any other appropriate state or federal oversight agency, or their designated representative(s), shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. SUBCONTRACTOR agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, SUBCONTRACTOR agrees to include a similar right of PACCD, the PRIME SPONSOR, the Bureau of State Audits, any other appropriate state or federal oversight agency, or their designated representative(s) to audit records and interview staff in any subcontract related to the performance of this Agreement.

14. Mutual Indemnification

Both Parties to this Agreement shall agree to defend, indemnify, and hold harmless the other Party, its officers, agents, employees, and volunteers, from and against all loss, cost, and expense arising out of any liability or claim of liability, sustained or claimed to have been sustained, arising out of activities, or the performance or nonperformance of obligations under this Agreement, of the indemnifying Party, or those of any of its officers, agents, employees, or volunteers. The provisions of this Article do not apply to any damage or losses caused solely by the negligence of the non-indemnifying party or any of its agents or employees.

15. Termination

Either Party may terminate this Agreement, with or without cause upon thirty (30) days written notice served upon the other Party. Notice shall be deemed served on the date of

mailing. Upon termination, or notice thereof, the Parties agree to cooperate with one another in the orderly transfer of contract responsibilities, records, and pertinent documents.

The obligations of PACCD under this Agreement are contingent upon the availability of State funds, as applicable, for the reimbursement of SUBCONTRACTOR expenditures, and inclusion of sufficient funds for the services hereunder in the budget approved by the PACCD Board of Trustees each fiscal year this Agreement remains in effect. In the event that such funding is terminated or reduced, PACCD shall provide SUBCONTRACTOR with written notification of such determination, and PACCD will reimburse SUBCONTRACTOR for costs incurred up to the termination date.

16. Disputes

In the event of a dispute between the Parties, the aggrieved Party shall notify the other Party and provide a detailed description of the alleged problem. The Parties agree to use reasonable efforts to resolve such dispute by good faith negotiations and mutual agreement. In the event such informal resolution is not successful within a reasonable period of time, the Parties hereby agree that such dispute will be resolved in the manner specified below.

Except as otherwise provided in this Agreement, any dispute concerning any question arising under this Agreement shall be decided by PACCD and/or the PRIME SPONSOR. In such a case, the decision shall be reduced to writing and a copy thereof shall be mailed or otherwise furnished to SUBCONTRACTOR. The decision shall be final and conclusive unless within thirty (30) calendar days from the mailing or delivery of such copy, PACCD receives from SUBCONTRACTOR a written request to appeal said decision. Pending final decision of the appeal, SUBCONTRACTOR shall act in accordance with the written decision of PACCD or the PRIME SPONSOR, whichever is the final arbiter of the dispute. The handling of non-criminal complaints, including discrimination complaints, and complaints and reports of criminal fraud, waste and abuse shall be as prescribed by the State of California, and/or the PRIME SPONSOR, whichever is applicable, in accordance with applicable provisions of the Code of Federal Regulations.

17. Notices

This Pathway/Program Work Plan is:

✓ In compliance with K12 SWP legislation ([Ed Code 88827](#)).

✓

Aligned with your district(s)/partner district(s) LCAP

✓ Informed by, aligned with, and expands upon your region's Strong Workforce Program Regional Plan and planning efforts occurring through the Strong Workforce Program.

✓ Informed by Labor Market Information and regional priorities.

✓ Staffed by skilled teachers or faculty and provides professional development opportunities for those teachers or faculty members.

All LEAs will:

✓ In addition, to ensure that the K12 SWP legislative reporting requirements are met, all grant recipients, both lead and partnering LEAs, are required to do the following until an MOU is executed between CDE and CCCCCO for information sharing on K-12 data:

1. Sign an MOU with Cal-PASS Plus to facilitate the sharing of data with the Cal-PASS Plus data system (if not already done so);
2. Maintain a current MOU with Cal-PASS Plus throughout the life of the awarded grant;
3. Beginning in 2021-22, upload end-of-year data files, as applicable and required by K12 SWP, into the Cal-PASS Plus system annually by November 1.

✓ Report data that can be used by policymakers, LEAs, community college districts, and their regional partners to support and evaluate the program, including, to the extent possible, demographic data used to evaluate progress in closing equity gaps in program access and completion, and earnings of underserved demographic groups.

Problem Statement

Provide a brief Problem Statement that is concise, clear, and evidence-based, supporting the problem or need that your K12 SWP efforts will address. *

North Valley Military Institute Charter Preparatory Academy (NVMI) located in Sun Valley, California, is requesting \$540,250 from the California Community Colleges Chancellor's Office (CCCCO) Strong Workforce Program (SWP) to offer Information Communication Technology (ICT) training for its 417 students in grades 9-12. NVMI is partnering with Los Angeles Mission College (LAMC), located in the Sylmar district of Los Angeles, to focus on ICT training, one of six priority sectors in the LA Region's SWP plan.

According to the US Bureau of Labor Statistics (2019-2029), the regional SWP plan reported 20,919 ICT/ Digital Media businesses in metro Los Angeles, and it is estimated that the local ICT field will see a 14.3% increase in job openings due to a loss of 63,000 ICT jobs from February-June 2020. With so many open positions, businesses suffer in productivity and innovation due to a lack of availability of human resources in technology-based careers. Addressing this gap will lead to more profitable businesses, creating industry growth and additional jobs in the region. These employment opportunities will offer job-ready high school and college graduates the opportunity to live and work in California rather than relocating to another state to find employment.

Based on Mid-Pacific Information and Communications Technology Center (2021) ICT occupations are California's 8th largest occupational cluster by job count, and employers are having difficulties hiring an appropriately skilled ICT Workforce- even in this period of high unemployment. NVMI's ICT program, in partnership with LAMC's Computer Science Program, will help fill the employment gap (for fields such as Computer Science, Computer Information Services, and Programming) for the region by offering a certification program and an associate's degree program.

The Journal of Information Science Theory and Practice (2018) states, there exists a gender disparity in the use of ICT by the male and female students in the urban schools. To overcome this disparity, the school authority should provide the basic and necessary ICT infrastructure in schools which can be equally used by male and female students. The NVMI target population is 99% minority (94% Hispanic or Latino) students; 94% free and reduced lunch program, 26% have disabilities, and 10% are English learners; 39% of students are females and 60.9% are males. NVMI has a 100% graduation rate; 48% of the graduates pursue further education and training.

Project Objectives

Provide clear, concrete objectives, which this project aims to achieve, to address the issues in the Problem Statement. Include how the LEA(s) is using the K12 SWP funds to help meet those objectives. Avoid statements of lofty goals. *

The project objectives are:

1. Obtain a formal agreement with LAMC to offer NVMI students a postsecondary CTE pathway.
2. By 12/31/21, a committee will be formed that consists of the superintendent, CTE faculty, and community stakeholders to develop a plan for internship opportunities, and identify new ICT certification targets.
3. By 8/1/2022, curriculum will be developed for additional Computer Science courses in data visualization and IT fundamentals.
4. By 8/1/2022, (1 FTE) CTE staff hired for the 2022-23 year.
5. By 7/31/2022, all project equipment and material purchased for the 2022-2023 year.
6. By 7/31/2023, all project equipment and materials purchased for the 2023-2024 year.

EXHIBIT A TO L220056

7. By spring semester 2023, at least 66% of students in grades 9-12 should have enrolled in at least one CTE course in our ICT pathways.
8. By June 2023, 50% of those enrolled will be eligible to receive CTE certification upon High School graduation.
9. By June 2023, 60% of those enrolled in NVMI's CTE courses will continue to pursue a postsecondary CTE career pathway at LAMC.
10. By February 2022, develop an outreach marketing plan that will encompass inclusion and gender equality.
11. By May 2022, an outreach program will be developed that will include press releases, printed materials, parent/ faculty information sessions, phone application, billboard advertisements, and a program website.
12. By July 2022, targeted academic supports will be established through local CTE businesses.

K14 Pathway Quality Strategies: Curriculum and Instruction

Describe work to be funded by K12 SWP *

Curriculum and instruction work to meet the stated objectives:

NVMI will develop strong practical education pathways in collaboration with LAMC. The work will closely align the content of the four selected primary pathways - Information Support and Services, Networking, Software and Systems Development, and Other ICT paths such as Data Visualization - to the current certification opportunities at LAMC and match them to the priorities of the regional SWP plan.

The partners will work to align course objectives and lesson plans with the demand for employees in the regional plan's target industries and with the school's existing CTE objectives. New pathways will be developed as needed through the NVMI/LMC partnership that present specific ICT practices and principles in the coursework.

NVMI will work to retain existing CTE staff and hire new faculty as prescribed in the budget and as program offerings expand.

NVMI will partner with certified vendors to provide project equipment and materials necessary to carry out the program.

NVMI will work to promote outreach programs to recruit current and prospective students in the program.

The school partners will develop course content related to the ICT field that supports opportunities across the range of employment options, using practical experience to support the certification programs offered.

Representatives from area businesses working in the broad-based ICT world will be recruited to address classes on how the skills they are being taught improve their chances for gainful employment.

EXHIBIT A TO L220056

NVMI will develop an outreach plan to recruit minority groups by partnering with multicultural and gender-diverse student groups and by hiring faculty and staff who reflect the student populations in which they serve. This outreach plan will cross media platforms, including print, broadcast, display ads, and online/smartphone application presence.

NVMI will work to promote community outreach programs to engage more students in the SWP program. Related businesses will be engaged to expose program participants to their businesses, and those businesses will be asked to participate in support of the academic work plan.

Program coordinators will seek input from community partners to develop closer ties to real-life skill requirements. The partners will work together to build up additional support services that establish connections to employment opportunities that were prioritized in the SWP Plan for the Los Angeles Region.

List project activities and expected outcomes *

- NVMI will partner with LMC to develop four ICT pathways of 300 hours or more, including Information Support and Services; Networking; Software and Systems Development; and Data Visualization. By year three of the SWP, NVMI will have enrolled 210 students - roughly 50% of the school's secondary grades population - in these courses.
- We expect 60% of those students will further their studies in the ICT field at LAMC.
- At least 75% of those advancing students will be minorities who are also classified as being economically disadvantaged.
- We expect at least 50% of those who continue beyond high school will earn their Associates Degree from LAMC, with options to either seek employment or continue their studies.
- For each NVMI pathway, staff will plan with LAMC staff on articulations to the college's existing certification and outside certification. Upon completion of this review, we anticipate there will be at least five newly defined CTE pathways developed in the ICT concentration by the third year of this SWP.
- We will form a five- to 10-person industry advisory committee that will include at least 30% minority representation to better reflect the participating student community. The partners will involve industry representatives to advise on specific elective course design that matches the need for workers (ex.: in discussion with ObservableHQ about potential Data Visualization course).
- We will create opportunities for students to be exposed to elements of the wide-ranging businesses that fall under the ICT umbrella through field trips, in-class presentations from industry representatives, specific project-based learning related to real employment opportunities, and ICT-specific internship and apprenticeship opportunities.
- To emphasize the practical application of the Information Support and Services pathway, we will create and formalize ways for students in that track to help with live IT support at NVMI. Other in-house hands-on options will be explored at both partner schools over the course of the SWP.

Identify partner roles and responsibilities Page 28 of 41 August 2021 *

NVMI is responsible for: Initial outreach to existing and potential students for program participation, and to potential community partners and advisors to strengthen SWP's practical impact; Enrollment, support, and counseling of current students, and guidance for incoming students interested in the pathways; Program implementation, evaluation and improvement at both NVMI and LAMC; Developing and aligning student services to support CTE pathways, by way of the college and career planning tool, student online planners, and other methods; Initiation of CTE college and career exploration tools to build student awareness of opportunities for those completing the SWP pathways.

LAMC is responsible for: Helping to guide program/curriculum development and articulation, working from existing courses and identifying needs for new programs; Assigning a CTE coordinator to help create outreach for community college articulation programs, including dual enrollment; Hosting information sessions about the program and tours of their facilities to demonstrate opportunities for hands-on learning; Providing support for marketing material and information directly to NVMI students/families; and Supporting CTE career counseling services internally and at NVMI.

Industry partners will be responsible for: Serving on the new advisory board, which will meet four or more times per year to guide development and refinement of pathways; Engage in classroom presentations to offer real-world scenarios that enforce the

EXHIBIT A TO L220056

school program goals; Work with industry partners to develop internship, work-based learning, and apprenticeship opportunities.

Identify number of students and/or teachers to be served and the way in which they will be served and Justification for requested funds and plans for sustaining the effort (Return on Investment) *

This program has a target of enrolling at least 210 students from NVMI in these pathways by year three; that figure represents 50% of the school's current enrollment in grades 9-12. The students will enroll in one of LAMC's ICT Certification programs, such as Computer Information Services, to gain skills essential to employment opportunities. It is expected that at least 60% of the students will continue their ICT pathway work through LAMC in pursuit of an Associates Degree. To support this level of participation in the program, NVMI is requesting \$43,000 over the life of the program for books and supplies, including texts, workbooks, software and other technology supplies, curriculum equipment for new Data Structures course, ongoing outreach efforts, and teacher technology to support instruction, curriculum replenishment, supplies to support adding a new Computer Science section, and additional cyber security materials.

This program will lead to the hiring more staff at NVMI. The funding request will cover one certified full-time CTE-focused teacher in program year two, and 1.5 FTE certified teachers in program year three. The request also funds one support staff member in each of program years two and three. The new staff members will be dedicated to the planning, implementation, and execution of the SWP program. The grant requests a total of \$382,500 in salaries for the 2.5 new FTE positions - \$170,000 in year two and \$212,500 in year three - and \$114,750 in benefits - \$51,000 in year two and \$63,750 in year three.

Sustainability of the program will be covered in three ways. The books and supplies purchased through this grant will be used at NVMI beyond the life of the formal SWP program for as long as it is serviceable and relevant to the ongoing CTE efforts. Budget lines related to salaries and benefit will be rolled into the school's General Operating Support plan. Finally, NVMI will continue to work on securing additional grant money and philanthropic support to sustain and grow the program.

Describe activities designed to improve access to and completion of highskill/high-wage CTE opportunities for disproportionately impacted students. Include activities that are designed to intentionally improve outreach and increase targeted academic supports, such as tutoring, mentoring by professionals, and work-based learning. *

The following activities are designed to improve access to and completion of high-skill/ high-wage CTE opportunities for disproportionately impacted students:

- Professional development for CTE staff about systemic barriers and specific supports and strategies for these groups. This includes training on academic identity and resiliency, so that none of our impacted students rule themselves out as an ICT learner;
- Dedicated support from our college and career counseling team, including tutoring in their CTE courses, exploration of pathways, and presentations showing the range of opportunities for both employment and continued education. We will also involve the career counseling team at LAMC to help present options for engaged students once they complete any of the ICT pathways being developed;
- Recruitment of mentors from within the wide-ranging ICT industry to explain the CTE coursework in practical terms. For example, we will enlist Meraki mentors in networking, ObservableHQ in data visualization, etc.;
- Work-based learning options that includes a variety of off-campus internship and apprenticeship opportunities. An on-campus option for those in the Information Support and Services pathway would be the chance to work on the school's internal information and technology systems, which provides real-life experience while relieving the burden of additional travel. Additional in-house options for practical experience will be explored over the SWP duration.

Activities designed to intentionally improve outreach will include: press releases, printed materials, parent/faculty information sessions, phone application, billboard advertisements, and a program website.

Funding Justification

Amount requested: \$540,250

EXHIBIT A TO L220056

The budget justification is for the three-year grant period with 66% student participation:

Classified and certified teachers salaries- \$382,500.

Y1: \$0 grant funds; Y2: 1 FTE teacher and 1 FTE teaching assistant; Y3: 1.5 FTE teacher and 1 FTE support. The cost per student/teacher to be served by the project is \$1,802. Once these students graduate from high school they will have ICT certification and will be job-ready to enter the communication technology workforce.

Books & Supplies (including outreach materials)- \$43,000.

Y1: \$5,000 outreach supplies, staff equipment, curriculum; Y2: \$18,000 for technology supplies, ongoing outreach efforts, teacher technology. Y3: \$20,000 for curriculum replenishment, supplies, ongoing outreach and teacher technology.

SECTION I: GENERAL INFORMATION

A. BACKGROUND AND PURPOSE

California's economic competitiveness is fueled, in part, by the strength of its regional economies and its skilled workforce. California is committed to investing in developing a skilled workforce to meet the state's labor market needs and to ensure upward social and economic mobility for Californians. In 2016, the California Legislature approved the Strong Workforce Program (SWP), budgeting an ongoing \$248 million for the state's community colleges to enhance and expand career technical education (CTE) and workforce training to prepare students for high-wage employment in industries that meet regional labor market needs.

Commencing with the 2018–19 fiscal year, an additional \$150 million was allocated on an annual and ongoing basis to K–12 local education agencies (LEAs) through the K12 Strong Workforce Program (K12 SWP) to create, support, and/or expand high-quality CTE at the K–12 level (Education Code, Section 88827).

The California Community Colleges Chancellor's Office (Chancellor's Office), in partnership with the California Department of Education (CDE), is seeking applications from eligible LEAs for K12 SWP funds to create, support, and/or expand high-quality CTE course sequences, programs, and pathways at the K–12 level that are aligned to regional workforce efforts occurring through the SWP.

The ultimate goal of Strong Workforce Program K12 grant funds is to support K–12 local education agencies (LEAs) in creating, improving, and expanding career technical education (CTE) courses, course sequences, programs of study, and pathways for students transitioning from secondary education to postsecondary education to living-wage employment.

California has experienced an unprecedented time battling a global pandemic with serious impacts to livelihood. More than one million Californians have filed new unemployment claims since the pandemic began sweeping across the country. As vaccinations roll out across the state, recovery is within reach. The COVID-19 pandemic has exposed the economic inequality that is deeply ingrained in our society, making it clear that we cannot return to business as usual. Similarly, California's community colleges are also faced with creating a new normal, with a clear "Call to Action" by the Chancellor's Office to help design and innovate for an equitable recovery and post-pandemic economy.

Inclusive economic development is about both process and outcome, mobilizing cross-sector collaboration and focusing on approaches to shared prosperity; the outcomes from such economic growth can be greater and more mutually beneficial to education, businesses, communities, and workers, including historically disproportionately impacted students.

B. OBJECTIVES AND FOUNDATIONAL PRINCIPLES

a) Objectives

The primary objectives of K12 SWP are the following:

- ❖ To support essential collaboration across education systems between the K–12 sector and community colleges—also known as intersegmental partnerships—with involvement from industry businesses and organizations in strengthening CTE courses, programs, and pathways aligned with regional workforce needs.
- ❖ To support LEAs in developing and implementing high-quality, K–14 CTE course sequences, programs, and pathways that:
 - Build foundational career path skills and knowledge essential to subsequent success in college and early career exploration.
 - Enable a seamless and successful transition from secondary to postsecondary education within the same or related career paths.
 - Lead to completion of industry-valued certificates, degrees, or transfers to community college or four-year University.
 - Prepare students upon completion of education to enter into employment in occupations for which there is documented demand that pay a livable wage.
 - Identify and close equity gaps by improving access to and completion of high-skill/high-wage CTE opportunities for disproportionately impacted students.
 - Facilitate K–12 student exploration and selection of learning opportunities leading to career paths.

b) Alignment with Strong Workforce Program Regional Plan

The K12 SWP legislation specifies that funds are provided to “create, support, or expand high-quality career technical education programs at the K–12 level that are aligned with the workforce development efforts occurring through the Strong Workforce Program” (Education Code, Section 88827). The workforce development efforts within each region are established by the Strong Workforce Program Regional Plan (“Regional Plan”). Developed under the guidance of each of the eight California Community College Regional Consortia (“Regional Consortia”), each Regional Plan, by design, is responsive to regional economic priorities. Similarly, applications for K12 SWP funds should be responsive to the regional priorities, labor market needs, and consortium goals as identified in the Regional Plan.

To remain current, all of the eight Regional Plans are revised every four years and updated annually through collaborations between the community colleges, K–12 LEAs, industry leaders, workforce development agencies, and other workforce development

stakeholders. The Regional Plan for each Regional Consortium are located at the following websites:

- ❖ [Bay Area – Strong Workforce Program Regional Plan](#)
- ❖ [Central/Mother Lode – Strong Workforce Program Regional Plan](#)
- ❖ [Inland Empire/Desert – Strong Workforce Program Regional Plan](#)

C. FUNDING

a) Regional Funding Distribution Based on Average Daily Attendance (ADA)

Within each of the eight regions, funding distribution to the applicants is based on ADA as presented in Table 1 (Education Code, Section 88827(c)(2)).

Table 1. Regional Funding Distribution Based on Average Daily Attendance¹

Total Applicants' ADA	Percentage of a Region's Allocation
Less than or equal to 140	4%
141 – 550	8%
More than 550	88%

A K12 Selection Committee, in consultation with its Regional Consortium, has the discretion to adjust the percentages of a region's allocation, as needed. For example, if LEAs with less than 140 ADA account for substantially less than 4 percent of the region's total ADA, a portion of the 4 percent of funds allocated to that distribution level may be added to another level.

¹ Source: California Community Colleges Chancellor's Office and the California Department of Education, 2021.

**b) Statewide Funding Allocations to the Regions**

The California Legislature (Education Code, Section 88827(c)(1)(A-B)) appropriated statewide funding of \$150 million that is apportioned annually by the Chancellor's Office to the fiscal agent of each of the eight Regional Consortia based on the following weighted factors in each region²:

- The unemployment rate. (33 percent of the allocation formula)
- The region's total Average Daily Attendance (ADA) for pupils in grades 7 through 12, inclusive.¹ (33 percent of the allocation formula)
- The proportion of projected regional job openings. (34 percent of the allocation formula)

Table 2. 2021 K12 SWP Allocations

Regional Consortium	K12 SWP Allocation
Bay Area	\$30,825,442
Central Valley/Mother Lode	\$20,846,960
Inland Empire/Desert	\$18,048,425
Los Angeles	\$25,339,879
Orange County	\$11,789,491
North/Far North	\$19,844,596
San Diego/Imperial	\$13,318,371
South Central Coast	\$9,986,836
TOTAL	\$150,000,000

² Per Senate Bill 117, ADA changed for reporting for both 2019-20 P-2 and annual to include all full school months from July 1, 2019, to February 29, 2020, to mitigate the impact of COVID closures on ADA. For more information see CDE FAQ webpage at: <https://www.cde.ca.gov/fq/aa/pa/covidfaqs.asp>.

**c) Awarded Funding Levels for LEAs**

There are four funding levels of maximum allowable dollar amounts for each application based on total ADA of the grant-seeking LEAs as shown in Table 3.

Table 3. Awarded Funding Levels Based on ADA, 2021³

Total Average Daily Attendance of LEAs	Maximum allowable grant amount
Up to 140 ADA	Up to \$250,000
141 to 550 ADA	Up to \$500,000
551 to 10,000 ADA	Up to \$1,000,000
Over 10,000 ADA	Up to \$2,000,000

Total ADA is equal to the sum of all grant-seeking LEAs' ADA (inclusive of both Lead and K–12 Partner Agencies) that are participating in a given application, meaning that the LEAs' total ADA will be used to determine the maximum allowable funding level.

The funding levels in Table 3 indicate the maximum amount that can be requested in any one application. Applicants are allowed to request any level of funding for which they are eligible so long as it does not exceed the maximum level. **The regional K12 Selection Committee has discretion to award an amount less than the requested amount based on an applicant's work plan, budget, number of students and/or teachers served as well as based on the committee's responsibility to ensure a portfolio of awards that best meets the needs of the region's economy and the intention of the legislation.**

d) Subsequent Funding Requests in Future Cycles

Obtaining a K12 SWP grant in one round of funding does not prohibit LEAs from applying again in ensuing funding cycles. Subsequent funding requests are not intended to sustain programs, rather, are intended to create a new CTE program that feeds into a community college program; phase in, augment, or improve the sequence of courses or pathway; or to scale to a larger number of students of a previously funded K12 SWP project. Through this competitive grant process, applicants awarded a K12 SWP grant in one year are not guaranteed funding in a subsequent round of funding.

e) K12 Selection Committee

Each Regional Consortium has a K12 Selection Committee that is responsible for reviewing all LEA applications that are requesting K12 SWP funds within its region (Education Code, Section 88829). **The K12 Selection Committee makes all decisions within its region related to selecting grant recipients and awarding specific funding amounts for each grant.** Each Regional Consortium forms a K12 Selection

³ Source: California Community Colleges Chancellor's Office and the California Department of Education, 2021.

Committee made up of individuals with expertise in K–12 career technical education and workforce development.

D. ELIGIBILITY REQUIREMENTS

a) Eligible Applicants

Eligible K12 SWP applicants consist of one or more of any combination of the following LEAs:

- School district
- County office of education
- Charter school
- Regional occupational center or program (ROCP) operated by either a joint powers authority or by a county office of education, provided that the applicant has certified that all partners are aware of this grant and agree to submission.

LEAs are encouraged to partner with other LEAs as co-applicants, but one LEA must be identified as the Lead Agency (or fiscal agent) on each K12 SWP application. The other LEAs are K–12 Partner Agencies. **An LEA can submit no more than three K12 SWP applications as a Lead Agency or as a K–12 Partner Agency per funding cycle.**

b) Eligibility Requirements for Applicants

LEAs applying to receive a K12 SWP grant must comply with **all of** the following:

- (1) The LEA applicant must partner with at least one community college or community college district in their application. It is allowable and encouraged for LEAs to partner with multiple community colleges or community college districts. The partnership should be strongly demonstrated within the grant proposal. LEAs that have a substantial number of students being served by a college in another region may partner with a community college in that region, if the college or colleges agree to partner with the LEA. The LEA still applies for funds from the Regional Consortium in which the LEA or LEA site is principally located, not the Regional Consortium of the partnering community college or community college district.
- (2) The LEA (Lead and all K–12 Partner Agencies) shall be located within the geographical boundaries of the region from which it is applying for funds. LEAs that are located in multiple regions may apply in each region within which they have a site but are limited to submitting no more than three applications total as either a Lead or a K–12 Partner Agency. Any LEA that offers primarily online/virtual instruction may apply only in the region within which their district is located.
- (3) Per Education Code, Section 88828(b), each LEA that is a Lead or K–12 Partner Agency on the application will upload a completed High-Quality CTE Program Evaluation that reflects the current practice of existing CTE programs and related evidence on file. LEAs that have applied for CTEIG funds will upload the same

High-Quality CTE Program Evaluation used in the most recent CTEIG application. LEAs that did not apply for CTEIG funds will complete and upload a new Program Evaluation. **The Program Evaluation is not scored for the K12 SWP application, but rather used as a tool to inform planning.** By completing the High-Quality CTE Program Evaluation, an LEA identifies areas of improvement in its CTE programs and develops a plan for addressing target areas using the K12 SWP Work Plan. The K12 SWP funding is an opportunity to complement existing CTE plans and work or to create new CTE programs. Visit the [California Department of Education](#) website to download a copy of the High-Quality CTE Program Evaluation.

- (4) Each LEA that is a Lead or K–12 Partner Agency on the application must engage in regional efforts to align workforce, employment, and education services. In addition, each must use its region’s Regional Plan to inform efforts to create, implement, or expand CTE courses, course sequences, programs, and pathways; and to the extent possible, integrate available local, regional, state, and private resources to improve the successful outcomes of pupils enrolled in CTE.
- (5) Report data that can be used by policymakers, LEAs, community college districts, and their regional partners to support and evaluate the program, including, to the extent possible, demographic data used to evaluate progress in closing equity gaps in program access and completion, and earnings of underserved demographic groups.

Note: Per Education Code, Section 88830, the Chancellor’s Office will verify that required course data files to Cal-PASS Plus have been submitted. Additionally, K12 SWP awardees who did not submit required course data files may be ineligible to apply.

c) Adult Education Programs

- ❖ An Adult Education Program may be included under a district LEA Lead or K–12 Partner Agency application **ONLY** if the program serves students under the age of 18, as approved by the local board. If this is the case, the application should specify the percentage of students served that are under the age of 18.
- ❖ Adult Education Programs may be included in the application as a Collaborative Partner, working with K–12 LEAs, community colleges, and other stakeholders to support pathways to higher education and employment for all students.

E. POSITIVE CONSIDERATIONS

Per Education Code, Section 88830, when determining grant recipients, the K12 Selection Committee shall consider past performance of grantees before awarding additional funds to those reapplying for grants. The K12 Selection Committee shall also give positive consideration to each of the below characteristics in an application:

- ❖ Aligned programs serving “unduplicated pupils” defined as a pupil enrolled in a school district or a charter school who is either classified as an English learner, eligible for a free or reduced-price meal, or is a foster youth (Education Code, Section 42238.02).
- ❖ Programs serving pupil subgroups that have higher than average dropout rates as identified by the Superintendent of Public Instruction. (The annual adjusted statewide grades 9–12 dropout rate is 9.0 percent, CDE 2018-19.)
- ❖ Programs located in an area of the state with a high unemployment rate. (Lead LEAs and/or K–12 Partner Agencies to be located in an Area of Substantial Unemployment defined as at or above 6.451%)⁴.
- ❖ Programs that operate within rural school districts.
- ❖ Programs that create new pathways.
- ❖ First-time K12 SWP applicants who have never received K12 SWP funds as a Lead or K–12 Partner Agency.

The K12 Selection Committee, in consultation with the Regional Consortium, has the discretion to give positive consideration to programs to the extent they demonstrate any of the following:

- ❖ Most effectively meet the needs of the local and regional economies.
- ❖ Successfully leverage one or both of the following to support and sustain programs:
 - Existing structures, requirements, and resources of the federal Carl D. Perkins Career and Technical Education Improvement Act of 2006 (20 U.S.C. Sec. 2301 et seq.), or its successor, the partnership academies program pursuant to Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of Division 4 of Title 2, or the agricultural career technical education incentive program pursuant to Article 7.5 (commencing with Section 52460) of Chapter 9 of Part 28 of Division 4 of Title 2.
 - Contributions from industry, labor, and philanthropic sources.
 - Make significant investments in career technical education infrastructure, equipment, and facilities.

F. PARTNERSHIPS

The K12 SWP encourages and supports intersegmental collaboration—or partnerships between LEAs, postsecondary institutions, workforce agencies, and industry—in developing K–14 CTE courses, programs, and pathways aligned with the Regional Plan. At a minimal requirement, applicants must demonstrate a partnership between the

⁴ Source: California Workforce Innovation and Opportunity Act 2019-20.

applying LEAs and at least one California community college or community college district.

Following is a description of the required partners and the recommended partners in K12 SWP partnerships.

a) Higher Education Partners

LEA applicants are required to identify a purposeful partnership with at least one partnering community college or community college district with the intent of developing clearly defined K–14 career pathways for students. LEAs are encouraged to partner with multiple community colleges for developing or supporting multiple K–14 CTE course sequences, programs, or pathways aligned with regional workforce needs.

The LEA–community college collaboration is a mutually beneficial partnership. The LEA can leverage the SWP efforts and resources of the partnering community college, while the community college can anticipate prepared, incoming students for their pathways and better predict student enrollment levels. Moreover, students and employers benefit when students are able to more fully develop knowledge, skills, and abilities through participation in high-skill, high-wage career technical education programs.

In addition to the required partnership with at least one community college or community college district, an LEA may have an additional partnership with four-year colleges, including California State Universities, Universities of California, and private colleges.

b) K–12 Partner Agencies

Collaboration between LEAs is encouraged, though not required. **All other LEAs that are not the Lead Agency on the application, but will receive K12 SWP funds from this strand of work are K–12 Partner Agencies and must be included as such in the application submission under “K–12 Partner Agencies.”** For example, when a county office of education is the Lead Agency, school districts engaged in the K12 SWP work are K–12 Partner Agencies. If the ADA for a K–12 Partner Agency are included on the application as the student population served, then that LEA must also receive K12 SWP funds and is also responsible for submitting all required reports. **If a K–12 Partner Agency will only receive services but not awarded funds, the ADA for that LEA cannot be included as the population served.**

c) Collaborative Partners

LEAs seeking K12 SWP funds are encouraged, though not required, to identify partnerships with Collaborative Partners, which agree to support and inform LEAs as they create, implement, or expand K–14 CTE programs and pathways.

Collaborative Partners include businesses and industry organizations, workforce development agencies, government offices, and philanthropies, among others. Adult

Education Programs that serve students over the age of 18 may be included as Collaborative Partners. Collaborative Partners may provide, for example, industry expertise, staff, access to equipment, and/or work-based learning opportunities.

G. MATCH REQUIREMENTS

a) Proportional Dollar Match

Match funds are required and intended to incentivize K–12 institutions and community colleges to invest from their base budgets in the development, support, and expansion of K–14 CTE programs aligned with the workforce needs of California’s regional economies. K12 SWP funds are intended to supplement, not supplant base budgets.

Per Education Code, Sections 88828, (c)(1)(A)(B), any K12 SWP funds awarded, the grantee is required to provide a proportional dollar match as follows:

- For ROCPs operated either by a joint powers authority or by a county office of education, one dollar (\$1) for every one dollar (\$1) awarded. The ROCP needs to be the Lead Agency on the application.
- For all other LEAs, two dollars (\$2) for every one dollar (\$1) awarded.

b) Acceptable and Unacceptable Financial Match Sources

Financial match must directly support and benefit the projects proposed in the grant. Table 4 identifies some acceptable and unacceptable financial match from various sources.

Note: The U.S. Department of the Treasury has issued federal guidance on the permissible use of funding provided through the CARES Act. LEAs should review the federal guidance in order to ensure that they are using their allocation in a manner that is fully compliant with federal law. Visit the [U.S. Department of the Treasury](#) for more federal guidance.

**Table 4. Acceptable and Unacceptable Financial Match Sources**

Acceptable	Unacceptable
School district or charter school Local Control Funding Formula (LCFF) apportionments pursuant to <i>EC</i> Section 42238.02	California Career Technical Education Incentive Grant Program (CTEIG)
Strengthening Career and Technical Education for the 21st Century Act (Perkins V)	Career Technical Education Facilities Program Grant pursuant to <i>EC</i> Section 17078.72
Partnership Academies Program	Public School Facilities Bond (Proposition 51)
Agricultural Career Technical Education Incentive Grant	Past K12 SWP award amounts
California Adult Education Programs (CAEP), as approved by the local board	The same local match that is being used for a California Career Technical Education Incentive Grant
Community College Strong Workforce Program (SWP) that directly serves K– 12 pupils (i.e., dual enrollment, early college credit)	The same local match that is being used for another concurrent K12 SWP grant/application.
Business, industry, philanthropic sources that will directly support the program	In-Kind Match of any kind
Any other source, except those described as “Unacceptable”	

H. APPLICATION DETAILS

a) Application Due Date

The K12 SWP application, the required forms, and all supporting documents must be submitted and certified via the NOVA reporting system on or before **Friday, October 15, 2021, by 5:00pm**, at which time the application system will close. **Printed or faxed copies of the application will not be accepted. Only applications submitted via the NOVA reporting system will be accepted.**

b) Application Review

Each application will be read and scored by a minimum of three trained reviewers from the regional K12 Selection Committee formed by the Regional Consortium in the region in which the applicant is applying. **Application reviews will occur from October 18, 2021, through November 19, 2021.**

The K12 Selection Committee can take a variety of factors into consideration in making their funding decisions and are not required to fund the highest scoring applications that are determined not to align with the regional plans and/or do not meet regional economic needs (Education Code, Sections 88821 and 88830).

California Community Colleges

The K12 Selection Committee reserves the right to adjust the funding amount to align with the proposed scope of work in the application. The K12 Selection Committee may, at its discretion, award less than the amounts requested, based on review of the application and the committee's responsibility to ensure a portfolio of awards that best meets the needs of the region's economy and the intention of the legislation. When determining grant recipients under the K–12 component of the Strong Workforce Program, the K12 Selection Committee shall consider past performance of grantees before awarding additional funds to those reapplying for grants (Education Code, Section 88830(a)).

For information on scoring, application format, and instructions, please see "Section II: Instructions for Preparing and Submitting the K12 SWP Application."

c) Allowable and Non-Allowable Activities and Costs

Budgets for the use of grant funds will be reviewed and scored as part of the application process. Budgets without descriptions and/or that include items deemed non-allowable, excessive, or inappropriate will receive a lower score. Program funds are for direct services to the project only and are intended to supplement, not supplant, existing investments. Applicants should refer to the Strong Workforce Program (Education Code, Sections 88820-88833) and "Appendix C: Guidelines, Definitions, and Allowable Expenditures" to determine specific allowable and non-allowable activities and costs.

d) Administrative Indirect Cost Rate

An LEA may take a maximum of 4% administrative indirect costs for the term of the grant. This is the approved rate set by the Chancellor's Office. Visit the [California Department of Education](#) website for guidelines regarding direct and indirect costs.

e) Incomplete and Late Applications

Incomplete or late applications will not be considered. The Chancellor's Office and K12 Selection Committees reserve the right to reject any and all applications received prior to scoring should the following occur:

- ❖ The application is not received and certified via submission through the NOVA reporting system by **5:00pm on Friday, October 15, 2021**. NOVA will not accept applications after the deadline.
- ❖ The budget exceeds the maximum amount allowed as specified in the Request for Application instructions.
- ❖ The application does not meet the match requirement funding levels and/or indicates that the match comes from non-allowable sources.
- ❖ The application is incomplete and/or missing any required documents.

**f) Performance Period**

Successfully awarded project applications will be funded from January 2022 to June 2024. There will be no extensions to the performance period.

J. TECHNICAL ASSISTANCE

Bidders' Conference Webinar. The Chancellor's Office staff will host an informational Bidders' Conference Webinar to provide an overview of the project submission process and offer potential applicants an opportunity to ask additional clarifying questions. Failure to attend the webinar will not preclude the submission of an application. The webinar will be recorded for posting on the [K12 Strong Workforce Program](#) webpage.

Date and Time: Tuesday, August 24, 2021, 1:00pm – 2:30pm PT.

[Register for the K12 SWP Bidder's Conference Webinar.](#)

California Community Colleges

K12 Pathway Coordinators (K12 PCs) are available for each Community College District and their contact information can be found on the [K12 Strong Workforce Program](#) webpage. In addition, K14 Technical Assistance Providers (K14 TAPs) are available for each region (please see table below).

Table 6. K14 Technical Assistance Providers

Region	K14 TAPs	Email Address
Bay Area	Sharon Turner Don Harjo Daves-Rougeaux	turnerssharon@fhda.edu don@baccc.net

K. RFA CLARIFICATION

If any ambiguity, conflict, discrepancy, omission, or other error in this RFA is discovered, immediately notify the Chancellor's Office of the error and request a written modification or clarification of the document. A clarifying addendum will be given to all parties who have obtained the RFA, without divulging the source of the request. Insofar as practical, the Chancellor's Office will give such notice to other interested parties, but the Chancellor's Office shall not be responsible for failure to do so.

Written questions concerning the specifications and instructions in this Request for Applications must be submitted by email to K12SWP@cccco.edu **no later than Friday, September 17, 2021, at 5:00pm**. Questions submitted prior to **Tuesday, August 24, 2021**, will be addressed at the Bidders' Conference Webinar. Questions received after that date will be addressed in a subsequent Frequently Asked Questions (FAQs) document posted on the Frequently Asked Questions section of the [K12 Strong Workforce Program](#) webpage.

Following the question deadline of **Friday, September 17, 2021**, only technical questions (e.g., questions about accessing the NOVA system, logistical challenges using NOVA or the K12 SWP online application, etc.) will be answered. No response will be provided to content questions submitted to K12SWP@cccco.edu after that date.

**L. APPEALS PROCESS**

Applicants who wish to appeal a grant award decision must submit a letter of appeal to the Regional Consortium for the region in which the application was submitted. **The Regional Consortium must receive the letter of appeal, with a signature by the authorized person, no later than 5:00pm on Friday, December 10, 2021.** Only e-mailed letters will be accepted. The final decision will be provided in writing within two weeks from the date that appeals are due or by **December 24, 2021**. The Regional Consortium's decision shall be the final administrative action afforded the appeal.

Appeals shall be limited to the grounds that the K12 Selection Committee failed to correctly follow the specified processes for reviewing the application. The appellant must file a full and complete written appeal, including the issue(s) in dispute, the legal authority or other basis for the appeal position, and the remedy sought. Incomplete or late appeals will not be considered. The appellant may not supply any new information that was not contained in the original application.

Appeals should be submitted to the Regional Consortium at the following email addresses:

SECTION II: INSTRUCTIONS FOR PREPARING AND SUBMITTING THE K12 SWP APPLICATION

A. CREATING A NOVA ACCOUNT/ACCESSING YOUR NOVA ACCOUNT

The K12 SWP Application is housed in the Chancellor's Office NOVA system. NOVA allows users to plan, invest, and track their investments across different programs.

If you are a new user, visit the [Request Access to NOVA](#) webpage to create an account or if you are a returning user, you can access your existing [NOVA Account](#) here.

B. NOVA TECHNICAL ASSISTANCE

NOVA Platform Applicant Training Webinar. The Chancellor's Office staff will provide a training video on using the NOVA online application platform. The training video will be pre-recorded and posted on the [K12 SWP website](#). For questions related to the NOVA system that are not addressed in the webinar, please contact K12SWP@cccco.edu.

Training Video Posting Date: Wednesday, September 1, 2021

C. SUBMITTING THE K12 SWP APPLICATION

Once you create a NOVA account, you can submit an application. In NOVA, go to the sidebar menu; click "Programs" then "K12 SWP" and "Applications." Click "Create New Application" button to begin.

D. APPLICATION FORMAT AND INSTRUCTIONS

The following instructions describe the content and format of the application. Only applications submitted via the NOVA system will be accepted. In order to receive the highest possible score and to prevent disqualification, the application instructions in NOVA must be followed, all questions must be answered, and all requested information must be supplied.

Applicants may be required to make adjustments in the budget, work plan, or other aspects of the application prior to distribution of funds.

Note: Grant applications are scored based on a 100-point scale as indicated in the list provided below. New K12 SWP applicants and applications proposing new CTE programs and/or pathways are eligible to receive up to 10

California Community Colleges

additional points (5 points for new CTE programs and/or pathways and 5 points for new K12 SWP applicants). Please note that these 10 points are in addition to the 100 points. A minimum average score of 75 must be obtained during the review process, which includes multiple readers and scoring rubrics, to be considered for funding.

Table 8. Application Sections

Application Section	Maximum Points
1. Pathway Identification	Not Scored/Required
2. Lead Local Education Agency (LEA)	Not Scored/Required
3. K–12 Partner Agencies (LEA)	Not Scored/Optional
4. Higher Education Partners	Not Scored/Required

6. Problem Statement and Project Objectives	40 Points
7. Positive Considerations	20 Points
8. Industry Sectors and Pathways	Not Scored/Required
9. CTE Pathway/Program Work Plan	35 Points
10. Budget	15 Points
11. Assurances	Not Scored/Required
12. Supporting Documentation	Not Scored/Required

(1) Pathway Identification (Maximum Points: Not Scored/Required)

- (a) Pathway/Project Title.
- (b) Project Start and End Dates for proposed work.
- (c) Prior K12 SWP Awards: If applicable, please indicate for which round your organization, as a Lead or a K–12 Partner Agency, was awarded K12 SWP funds:
 - Round 1: 2018-19
 - Round 2: 2019-20
 - Round 3: 2020-21
- (d) CTEIG Award: If applicable, please indicate whether your organization was awarded funds in 2020-21 and whether your organization has applied for 2021–22 CTEIG funds.

Note: If available, K12 SWP applicants who were awarded funds as a Lead or K–12 Partner Agency may be requested to include information on prior awards

California Community Colleges

including a brief description of efforts K12 SWP awarded funds have supported to date.

(2) Lead Local Education Agency (LEA) (Maximum Points: Not Scored/ Required)

- (a) Lead LEA Type: Select the Agency Type from the drop-down list. The Lead Agency/fiscal agent on the application must be one of the following eligible LEAs: school district, county office of education, direct-funded charter school, or ROC/P operated by a joint powers authority or county office of education. If applying as an ROC/P based at a county office of education, be sure to select the appropriate ROC/P option.
- (b) Lead LEA: Select the LEA that will serve as the Lead Agency for this CTE Pathway/Program Plan. If the agency cannot be found or if the information is inaccurate, please contact the K12 SWP help desk by clicking the link in the instructions. (Address and ADA for Lead LEA are auto-populated by NOVA.)
- (c) Lead LEA Primary Contact: Please identify the individual who will serve as Primary Contact for this Pathway/Program Plan. Include name, phone, and email. If applicable, include Lead LEA Reporting Designee.

Note: Awarded K12 SWP LEA Leads must:

- **Agree to the Statements of Assurance (in NOVA),**
- **Ensure the Lead LEA and all K–12 Partner Agencies have an MOU with Cal-PASS Plus,**
- **Ensure all required Progress and Fiscal and Cal-PASS Plus reports are submitted on behalf of all K–12 Partner Agencies,**
- **Have an invoice process for all K–12 Partner Agencies (sub-grantees), and**
- **Share K12 SWP-relevant communications and information with all partners.**

Any K12 SWP LEA not in compliance may be ineligible for future K12 SWP funding.

- (d) Participating Schools: Enter each of the lead LEA's school(s) that is participating in the Pathway/Program Plan.
- (e) Pathway/Program Region: Select the region in which you are applying. The LEA shall be located in and offer instruction within the geographical boundaries of the region from which it is applying for funds. LEAs that offer site-based instruction in multiple regions should apply within the region where the participating site is located. LEAs that offer primarily online/virtual instruction may apply only in the region within which its chartering district is located.

California Community Colleges

(3) K–12 Partner Agencies (Local Education Agency: LEA) (Maximum Points: Not Scored/Optional)

For each K–12 Partner Agency provide:

- (a) K–12 Partner Agency Type from the drop-down list.
- (b) K–12 Partner Agency: Select the K–12 Partner Agency for this CTE Pathway/Program Plan. (Address and ADA for K–12 Partner Agency are auto-populated by NOVA.)

Note: If the ADA for a K–12 Partner Agency is included in the application, that K–12 Partner Agency must:

- **Receive K12 SWP awarded funds and**
- **Submit all required K12 SWP Progress, Fiscal, and Cal-PASS Plus reports.**

Any K12 SWP LEA not in compliance may be ineligible for future K12 SWP funding.

- (c) K–12 Partner Agency Primary Contact: Please identify the individual who will serve as Primary Contact. Include name, phone, and email. (Contact information must be provided for each K–12 Partner Agency.)
- (d) K–12 Participating Schools: Enter each of the partner LEA's K–12 schools that are participating in the CTE Pathway/Program.

(4) Higher Education Partner(s) (Maximum Points: Not Scored/Required)

For each Higher Education Partner provide:

- (a) CCC Partner: Select the CCC/CCD Partner for this CTE Pathway/Program Plan.
- (b) Please note that the K12 SWP requires an intersegmental partnership between the K–12 system and at least one California community college (CCC) or California community college district (CCD). (Address for CCC Partner(s) is auto-populated by NOVA.)
- (c) CCC Primary Contact: Please identify the individual who will serve as Primary Contact for this college's participation in the CTE Pathway/Program Plan. Include name, phone, and email. (Contact information must be provided for each Partner.)
- (d) (OPTIONAL) Additional Higher Education Partner(s): If applicable, select any additional higher education partners participating in the Pathway/Program Plan. Please note that additional higher education partners may include four-year colleges, including California State Universities, Universities of California, and private colleges.

California Community Colleges

(5) Collaborative Partners (Maximum Points: Not Scored/Optional)

For each Collaborative Partner provide:

- (a) Collaborative Partner: List the Collaborative Partner name and identify partner type and their proposed role for this CTE Pathway/Program Plan. Include name, phone, and email. (Contact information must be provided for each Partner.)

Collaborative Partner(s) Types include: Businesses, community organizations, industry organizations, philanthropic organizations, workforce development agencies, and government agencies, among others.

Collaborative Partner Roles include: Fiscal/financial contribution, partnership and subject-matter expertise, curriculum development/alignment, work-based learning experiences for students, and externship experience for educators and administrators, among others.

Note: The K12 SWP Lead LEA must identify and include contact information within NOVA for the following parties:

- **Project Lead:** Please designate one individual to be the first point of contact for the entire project. The Project Lead is the accountable party for the project.
 - Permissions include:
 - submitting and editing the application
 - editing project plan budgets and contacts
 - submitting and editing progress and expenditure reports
- **Project Lead Alternate(s):** Multiple individuals can be assigned to this role. The Alternate(s) will not be the first point of contact but will have the same permissions as the Project Lead. Communication through the NOVA system will only be received by the Project Lead.
 - Permissions include:
 - submitting and editing the application
 - editing project plan budgets and contacts
 - submitting and editing progress and expenditure reports
- **Project Contributor & Reporter:** Multiple individuals can be assigned to this role. The Project Contributor & Reporter can contribute to the application but cannot submit. This is the role that should be provided to anybody that is not a lead but is a delegate of the lead.
 - Permissions are limited to:
 - submitting and editing expenditure reports
 - editing project plans
- **Project Viewer:** Multiple individuals can be assigned to this role. The role of Project Viewer is for information purposes only. Permissions are limited to view only.

**(6) Problem Statement and Project Objectives (Maximum Points: 40)****(a) Problem Statement (Maximum Points: 20 points)**

Provide a brief Problem Statement that is concise, clear, and evidence-based, supporting the problem or need that your K12 SWP efforts will address (2,500 characters maximum).

Problem Statements should:

1. Be informed by the region's Strong Workforce Program (SWP) Regional Plan and/or region's Labor Market Information.
2. Identify the sector/industry challenge(s) or need(s) the proposed K12 SWP plan(s) will address.
3. Include sector/industry data that supports the identified challenges or need(s).
4. Use data to identify equity gaps of how student subgroups (e.g., race, gender, socioeconomics) access, experience opportunities, and complete high school course work that are aligned to STEM and high-potential CTE programs at disproportionate rates. Specifically, include evidence from demographic, enrollment, and completion data to substantiate the targeted student population to be served.

(b) Project Objectives (Maximum Points: 20 points)

Provide clear, concrete Project Objectives which this project aims to achieve, to address the issues in the Problem Statement. Include how the LEA(s) is using the K12 SWP funds to help meet those objectives. Avoid statements of lofty goals (2,500 characters maximum).

Project Objectives should:

1. Align to the Problem Statement
2. Be informed by region's Strong Workforce Program Plan and/or region's Labor Market Information
3. Identify efforts to align career pathway(s) and/or program(s) to postsecondary pathways.
4. Describe efforts to close equity gaps by improving access to and completion of high-skill/high-wage CTE opportunities for disproportionately impacted students. Include activities that are designed to intentionally improve outreach and increase targeted academic supports, such as tutoring, mentoring by professionals, and work-based learning.

(7) Positive Considerations (Maximum points: 20)

1. Area of Substantial Unemployment: System will display if the Lead LEA and/or Partner LEAs are located in a county considered an Area of

California Community Colleges

Substantial Unemployment defined as at or above 6.451%. (Source: California Workforce Innovation and Opportunity Act 2019–20.)

2. Rural School Districts: System will display if the Lead LEA and/or Partner LEAs operate within rural school districts.
3. Dropout Rate: Indicate whether the proposed CTE program(s) serves student subgroups that have a dropout rate higher than the state dropout rate.
4. Unduplicated Pupils: Indicate whether the proposed CTE program(s) serves the following unduplicated pupils: English learners, students who qualify for free or reduced-price meals, or students who are designated foster youth (EducationCode, Section 42238.02).
5. Special Populations: Indicate whether the proposed CTE program(s) serves K–12 students that are defined as special populations per Perkins V.
6. New CTE Programs/Pathways: Indicate whether one or more new CTE programs/pathways are proposed.
7. New K12 SWP Applicant: Indicate whether the Lead and/or K–12 Partner Agency has **never** been awarded K12 SWP awards as a Lead or K–12 Partner Agency on any prior round of funding.

(8) Industry Sectors and Pathways (Maximum Points: Not Scored/Required)

- (a) Please select the appropriate Industry Sectors you plan to target. The California Department of Education Industry Sectors are cross-walked with the California Community Colleges. When you select the appropriate CDE sector(s), the associated sector(s) will automatically populate.
- (b) Proposed CTE Pathway/Program Work. Select the pathway(s) to be included in the Pathway/Program Plan. At least one pathway must be selected.
- (c) Identify the design purpose of the proposed K12 SWP work and for each, list the number of Pathways/Programs involved.
 - Create a new pathway(s)
 - Scale an existing pathway(s)

It is acceptable for a project's scope of work to focus on only one design purpose.

(9) CTE Pathway/Program Work Plan (Maximum Points: 35)

- (a) High-Quality CTE Program Evaluation (Upload Program Evaluation from your 2021-22 CTEIG Application in the "Supporting Documents" section). A

August 2021

California Community Colleges

- D. Identify number of students and/or teachers to be served and the way in which they will be served and Justification for requested funds and plans for sustaining the effort (Return on Investment)
- E. Describe activities designed to improve access to and completion of high-skill/high-wage CTE opportunities for disproportionately impacted students. Include activities that are designed to intentionally improve outreach and increase targeted academic supports, such as tutoring, mentoring by professionals, and work-based learning.

Complete only the forms that reflect the Strategy in which K12 SWP funds will support.

Note: For the K12 SWP Round 4 application, work plan details will be entered directly into the NOVA platform. A work plan practice template, scoring rubrics, and additional resources can be downloaded from the [K12 Strong Workforce Program](#) website.

Review the K12 SWP Scoring Rubrics to ensure that your work plan addresses each criterion that will contribute to the overall work plan score. For example, when providing “Description of work funded by K12 SWP,” address the issues in the Problem Statement, how proposed activities will improve CTE programs or pathways, how access and engagement for underserved students will change, and any intermediary steps planned.

(d) Leveraging other CTE Funds to Support this Work

Identify the additional funding sources that will support this work. Check all that apply.

- LCFF (general funds)
- Perkins V (Strengthening Career and Technical Education for the 21st Century Act)
- CTEIG (California Technical Education Incentive Grant)
- Agricultural Career Technical Education Incentive Grant
- CTEFP (Career Technical Education Facilities Program/Prop 51)
- CPA (California Partnership Academies grants)
- SSP (Specialized Secondary Programs grant)
- SWP (Strong Workforce Program)
- Other: _____

(10) Budget (Maximum Points: 15)

Budget: Each Lead LEA and K–12 Partner Agency (if applicable) must prepare a budget by object code, provide descriptions, and identify match funds. The budget plan should demonstrate measurable and actionable outcomes.

California Community Colleges

- (a) Use the Budget and Match template as a planning tool from which information can be copied and entered into NOVA.

A budget template, budget example, and additional resources can be downloaded from the [K12 Strong Workforce Program](#) website.

- (b) Include how the grant funds will be distributed to each Lead Agency and K–12 Partner Agency for each fiscal year the proposed work will span. The template allows for expenditure object code 1000–7000.

1000 – Certificated Salaries: Certificated CTE teacher salaries

2000 – Classified Salaries: Classified salaries associated with CTE programs only

3000 – Employee Benefits: Only those benefits associated with CTE teacher salaries

4000 – Books and Supplies: Only those expenses related to CTE courses

5000 – Services and Other Operating Expenditures: Only those charges related to CTE teachers and CTE programs

6000 – Capital Outlay: Only those expenses related to CTE courses

7000 – Indirect Costs

The total budget will populate based on the amounts entered. This is not a guarantee of being funded the grant award amount that corresponds to the proposed match.

Please see “Section I: General Information” as well as “Appendix C: Guidelines, Definitions, and Allowable Expenditures” for information about allowable costs and administrative indirect cost rates.

(11) Assurances

A duly authorized representative for the Lead LEA should review all assurances, certifications, and terms and conditions to be familiar with the grant expectations. Please upload the Assurance Agreement form into NOVA attesting that this Pathway/Program is:

- In compliance with K12 SWP legislation (Education Code, Section 88827-88828(c)(8)(C)):
 - All partners will report outcomes and financials in the NOVA and Cal-PASS Plus systems.
- Aligned with your district(s)/partner district(s) 2021–22 LCP.
- Informed by, aligned with, and expands upon your region’s Regional Plan and planning efforts occurring through the Strong Workforce Program.
- Informed by Labor Market Information and regional priorities.

California Community Colleges

- Staffed by skilled teachers or faculty and provides professional development opportunities for those teachers or faculty members.

Please attest to the assurances that the Lead LEA and Partners will:

- Report data that can be used by policymakers, LEAs, community college districts, and their regional partners to support and evaluate the program, including, to the extent possible, demographic data used to evaluate progress in closing equity gaps in program access and completion, and earnings of underserved demographic groups.

(12) Supporting Documentation

Applicants **must** upload the following documents:

- Completed 2021–22 High-Quality CTE Program Evaluation for each applicable LEA participating in this work,
- A signed agreement (Statement of Assurance) with each K–12 Partner Agency whose ADA is included on the application as the students served, and
- MOUs with Cal-PASS Plus for the K12 SWP Lead LEA (if applicable) and all K–12 Partner Agencies or an action plan with expected timeline for securing MOUs.

Do not upload any other types of documents, as they will not be reviewed or factored in the scoring process.

E. DOWNLOADABLE APPLICATION TOOLS

For your convenience, the required application materials, scoring rubrics, and practice templates are available and downloadable. The below referenced application tools and resources can be downloaded from the [K12 Strong Workforce Program](#) website.

- a. CTE Pathway/Program Work Plan practice template
- b. CTE Pathway/Program Problem Statement and Project Objectives EXAMPLE
- c. CTE Pathway/Program Budget and Match template
- d. CTE Pathway/Program Budget and Match EXAMPLE
- e. CTE Pathway/Program Scoring Rubrics
- f. Statement of Assurance
- g. High-Quality CTE Program Evaluation (*required*) can be downloaded from the [California Department of Education](#) website.

APPENDIX A: GRANTEE REQUIREMENTS AND GUIDELINES

A. ALIGNMENT WITH GUIDING POLICY PRINCIPLES TO SUPPORT K–14+ PATHWAYS

The California Workforce Pathways Joint Advisory Committee (CWPJAC) developed the Guiding Policy Principles to Support K–14+ Pathways to help prioritize a policy pivot towards purposeful integration of the student experience across systems and into college and career, while addressing industry workforce needs. The CWPJAC recommends incorporating the following Guiding Policy Principles in K12 SWP implementation:

- ❖ **Focus on a Student-Centered Delivery of Services** for all K–14+ college and career pathways, which accommodates multiple entry points to facilitate students' needs to build their skills as they progress along a continuum of education and training or advance in a sector-specific occupation or industry.
- ❖ **Promote Equity and Access** by eliminating institutional barriers and achievement gaps for all students to realize their educational and career aspirations.
- ❖ **Achieve System Alignment** in the economic regions of the state in order to create a comprehensive and well-defined system of articulation of high-quality K–14+ pathway courses (i.e., both in-person and online) and work-based learning opportunities with a specific emphasis on career technical education. Bring greater coherence to programming, common use of terminology, appropriate data collection and sharing, and attainment of student outcomes in a timely way that lead to upward mobility in California's industry sectors.
- ❖ **Support the Continuous Improvement and Capacity Building** at all levels and components to ensure smooth transitions in the system and focus efforts on implementation of state standards, attainment of student outcomes, and a strengthening of California's regional economies.

B. LEVERAGING PARTNERSHIPS AND CTE FUNDING SOURCES

(a) Examples of Leveraging SWP at Partnering Community Colleges

Following are a few examples of how LEAs can leverage a partnering community college's existing SWP efforts.

- ❖ The partnering community college offers dual enrollment and articulated courses as part of K–14 CTE pathways so that high school students can earn early college credit and enter college CTE programs with advanced standing.

California Community Colleges

- ❖ The partnering community college can share course syllabi and collaborate with K–12 to create vertical alignment in CTE pathways.
- ❖ The partnering community college counselors and the K–12 counselors collaborate so that students stay on their chosen pathway as they transition from secondary to postsecondary education.
- ❖ The partnering community college has an SWP-funded CTE coordinator, who is responsible for outreach and marketing of CTE programs, including promoting the K–14 pathways at secondary schools and ROCPs. The CTE coordinator can host open houses, provide college tours, speak to high school students and their parents, and share marketing collateral with the high school community.
- ❖ The partnering community college offers its college students apprenticeships and work-based learning opportunities through its relationships with industry. Additional work-based learning opportunities for high school CTE pathways can be established with the same industry organizations.

(b) Working Norms for Intersegmental Partnerships

Providing students with a seamless CTE pathway from K–12 through postsecondary education is a central component of the K12 SWP objectives. To support intersegmental partnerships between K–12 LEAs, institutions of higher education, and Collaborative Partners, the CWPJAC recommends these working norms in building student-centered, high-quality, K–14 college and career pathways:

1. Frequent, open, and intentional communication between educational agencies, workforce agencies, and employers.
2. A mindset shift from insular to coordination of planning and from independent to interdependent implementation of systems to make better use of and maximize scarce public funds.
3. A continual scan for opportunities to leverage, build upon, and/or replicate effective models and practices in order to benefit from the scale of the state.
4. An understanding of the existing eco-system as a basis to build a new culture for our institutions and incentivize behaviors and relationships.
5. Ongoing alliances through sustained funding and mutual agreements in order to “stay the course” despite governance changes.
6. A commitment to the work to create stability and sustainability of the K–14+ college and career pathway system.

C. LEVERAGING MULTIPLE CTE FUNDING SOURCES

LEAs are expected to support their CTE programs and pathways primarily through funds from the Local Control Funding Formula (LCFF), ensuring that the programs and pathways are integral to the LEAs' programs of study. K12 SWP is intended to assist LEAs in building their capacity to leverage funds from their LCFF and other possible Federal and State CTE funding sources—such as Perkins V and CTEIG—to build strong pathway programs. In doing so, LEAs are demonstrating a commitment to improve CTE opportunities for students through high-quality programs and pathways.

Following is an example of how LEAs can leverage funding sources.

A high school plans to expand its CTE program, and it strategically leverages its different funding sources: Funds from LCFF are budgeted for the hiring of a new CTE teacher; CTEIG funds support professional development and the purchase of new equipment; Perkins V funds support student services for special populations and increased recruitment of such students; while K12 SWP funds support modifying the “a-g” curriculum with an industry focus on career pathways and skills, building connections with its local community college to provide dual enrollment courses, and establishing work-based learning opportunities with local businesses.

D. PROGRAM OUTCOME MEASURES

The long-term measures of success for the K12 SWP are the students completing high school, transitioning successfully into an aligned postsecondary program, graduating with a degree or credential in a high-demand field, and securing employment successfully. The K12 SWP Metrics are designed to measure student-level outcomes from K–12 to postsecondary education and employment. Only four metrics measure K–12 student-level outcomes, while the remaining metrics apply to postsecondary student-level outcomes and employment outcomes.

The K12 SWP Metrics that measure **K–12 student-level outcomes**:

- Completed 2+ CTE courses in high school in the same program of study.
- Completed 2+ CTE courses in high school in the same program of study that include early college credit, work-based learning, or third-party certification.
- Graduated high school.
- Enrolled in a CA Community College within one year of leaving secondary school.

The K12 SWP Metrics that measure **postsecondary student-level outcomes**:

- Entered registered apprenticeship after participation in high school pre-apprenticeship program.
- Enrolled in another form of job training (other than CA Community College).
- Completed 9+ CTE units in first year of CA Community College.
- Attained a CA Community College certificate/degree or journey-level status.

California Community Colleges

- Transferred to a four-year institution after exiting CA Community College.

The K12 SWP Metrics that measure **employment student-level outcomes**:

- Employed in a job closely related to field of study after exiting CA Community College.
- Median annual earnings of students after exiting CA Community College.

E. REPORTING REQUIREMENTS

a) Program Outcome Measures Reporting

As a K12 SWP grant recipient, LEAs must collect extra data elements in addition to those required by CDE. The K12 SWP grant recipients (both Lead and K–12 Partner Agencies) must submit the required end-of-the-year files to CDE by November 1, immediately following the fiscal year for which data are being reported.

Grant recipients must also notify their region's K–14 Technical Assistance Provider that data has been reported by the due date. The Regional Consortium may end contracts and grants from grantees that do not provide the required outcomes-based data.

In addition, to ensure that the K12 SWP legislative reporting requirements are met, all grant recipients, both lead and partnering LEAs, are required to upload end-of-year data files, as applicable and required by K12 SWP.

In addition, to ensure that the K12 SWP legislative reporting requirements are met, all grant recipients, both Lead LEA and K–12 Partner Agencies, are **required** to do the following:

1. Ensure an active MOU is on file with Cal-PASS Plus throughout the life of the awarded grant and
2. Submit and/or ensure all required Progress and Fiscal and Cal-PASS Plus reports are submitted on behalf of all K–12 Partner Agencies (see Table 9 for details).

b) Progress and Fiscal Reporting (see Table 9 for details)

To ensure the successful implementation of the K12 SWP, grant recipients are required to submit:

- five (5) Progress and Expenditure Reports via the NOVA Reporting System,
- three (3) Annual Course Data Reports via Cal-PASS Plus, and
- one (1) Final Report K12 Expenditure Report and Outcomes via the NOVA Reporting System.

The required reports demonstrate that grant recipients have met the dollar-for-dollar match requirement (specified in Education Code, Section 88828) and are providing program deliverables using the K12 SWP funds pursuant to Education Code, Section

California Community Colleges

88827. It is the responsibility of the lead LEA to ensure that all K–12 Partner Agencies on the project submit mid-year progress and expenditure reports either on their own or to the lead LEA to submit on their behalf. Failure to submit required reports or evidence that deliverables have been met could result in the loss and/or remittance of all awarded funds.

The following reports are to be submitted by the due dates indicated. Extensions of reporting deadlines may be made with the approval of the Regional Consortium.

APPENDIX B: Appendix Program-Specific Legal Terms, and Conditions

A. COST AND PAYMENTS

In consideration of satisfactory performance of the services described in the Grantee's application, the applicable Strong Workforce Program Career Technical Education Regional Consortium (hereinafter Regional Consortium) agrees to pay the Grantee a total amount not to exceed the "Grant Funds" amount stated on the fully executed Grant Agreement. Payment should be made as follows:

Beginning in 2021, an advance payment of 70% of the total amount of this Grant Agreement will be paid, upon receipt of an invoice, after the Grant Agreement is fully executed.

Grantee may request progress payment(s) up to 20% of the total amount of this Grant Agreement upon submission of an invoice and accompanying documentation as required by the Regional Consortium and completion of all reports due at the time the invoice is submitted. Payment of the final 10% will be made upon receipt of an invoice and accompanying documentation as required by the Regional Consortium, and review and approval by the Regional Consortium of expenditure/progress reports and the final report.

B. WORK TO BE PERFORMED

The Grantee shall complete the tasks described in the Grantee's application and funds shall be expended in compliance with the requirements for the funding source and Grant Agreement with the Regional Consortium.

C. MODIFICATION/BUDGET CHANGES

Grantee may request modifications to the work to be performed. All such requests must be submitted in writing to the Regional Consortium prior to the modification being made. The Regional Consortium may require that a Grant Amendment be processed if the Regional Consortium determines that the change would materially affect the project outcomes or the term of this Grant Agreement.

Grantee may make changes to any budget category amounts up to 10% of the total award amount per line item without the approval of the Regional Consortia so long as budget categories are not added or deleted, the total dollar amount of the Grant Agreement is not affected, and the outcomes of the Grant Agreement will not be materially affected. Grantee may add or delete budget categories subject to the prior approval of the Regional Consortium.

California Community Colleges

Grant amendments are required for budget changes when there are changes in the total dollar amount of the Grant Agreement and/or the outcome of the Grant Agreement is materially affected. The process for requesting and approving grant amendments are determined by the Regional Consortium. Budget changes or amendments are subject to applicable program limitations and require approval of the Regional Consortium. No extensions to the performance period will be granted.

Grantees are required to fully expend their grants by the end of the expenditure period. If a grantee projects that they will be unable to do so, they should contact the Regional Consortium and arrange to have their grant reduced to a level which the grantee is confident can be fully spent within the expenditure period. If a Regional Consortium has reason to question whether a grantee can fully expend their grant within the expenditure period, it may request that the grantee provide evidence that it will be able to do so.

When grant funds are unexpended, the unspent funds will go to the next round of K12 SWP funding for the region in which it was awarded.

D. ASSURANCES, CERTIFICATES, TERMS, AND CONDITIONS

Assurances, certifications, terms, and conditions are requirements of applicants and grantees as a condition of receiving funds. The certified K12 SWP application is a commitment to comply with the assurances, certifications, and terms and conditions associated with the grant as described in the K12 SWP Request for Applications and K12 SWP legislation (Education Code, Sections 88820-88833).

As a condition of receiving funds, funded applicants shall do the following:

- Enter into a grant agreement with the applicable Strong Workforce Program Regional Consortium that may include terms and conditions provided by the Chancellor's Office and the applicable Regional Consortium.
- Certify that all identified partners are aware of this grant application and agree to its submission.
- Be responsible for the performance of any services provided through funds awarded under this grant by partners, consultants, or other organizations.
- Certify to the K12 Selection Committee that grant funds received and the matching funds contributed by each local educational agency shall be used solely for the purpose of supporting the program or programs for which the grant is awarded.
- Make expenditure data on career technical education programs available for
- Purposes of determining if the grant recipients have met the matching funds requirements specified in subdivision (c) of Section 88828, and for monitoring the use of funds provided pursuant to Section 88827.
- Every year, the awarded grantees (Lead LEAs and K-14 Partners) must provide student-level data necessary to evaluate K12 SWP as required by Legislation and submit required end-of-year data files.

APPENDIX C: GUIDELINES, DEFINITIONS, AND ALLOWABLE EXPENDITURES

A. DETERMINING IF A COST IS ALLOWABLE

All allowable costs must meet three primary criteria: (1) Substantiate that the cost was necessary and reasonable for proper and effective administration of the allocations; (2) The cost must be allocable to the funding source activities; and (3) The cost must not be a general expense required to carry out the grantee overall responsibilities (not supplanting). However, even if the costs meet the prior three criteria, the costs must be approved within the statement of work/budget of the individual fiscal agent; otherwise, they are not allowable within that year without changes to the statement of work/budget. In addition, the Regional Consortium has the discretion to impose special conditions beyond the funding source that would also determine allowability of cost.

While the proposed cost is allowable under the funding source, is it also reasonable?

A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances pre-vailing at the time the decision was made to incur the cost.

Systems that can guide this definition are necessary for the performance of the grant; following sound business practices (procurement processes, follow state and local laws, follow the terms of the grant); use of fair market prices; acting with prudence under the circumstances; and having no significant deviation from established prices.

What are the guidelines of allocable?

Allocable is defined by the dictionary as capable of being allocated or assigned. A cost is considered allocable to a particular funding source/program to the extent it actually benefits the objectives of that program. You can only charge in proportion to the value received by the funding source/program. An example would be that a Project Director works 80% on the funded program (only 80% of the salary and benefits can be charged in the grant application). Beyond this definition, allocable also means that the cost must be related to the statement of work/budget that have been approved by the Consortium.

What is supplanting?

Strong Workforce K12 funds must supplement and not supplant state or local funds. Funding may not result in a decrease in state or local funding that would have been available to conduct the activity had these funds not been received. Strong Workforce K12 funds may not free up state or local dollars for other purposes but should create or augment programs to an extent not possible without Strong Workforce K12 dollars. You must be able to

California Community Colleges

demonstrate that Strong Workforce K12 funds are added to the amount of state and local funds that would, in absence of Strong Workforce K12 funds, be made available for uses specified in your plan. Allocation recipients and sub-recipients must use grant funds to provide extra goods, services, materials, staff coordination positions, etc. that would not otherwise be purchased with state, local, or other non-Strong Workforce K12 funds.

Allowable and Non-Allowable Activities and Costs

Budgets for the use of grant funds will be reviewed and scored as part of the application process. Items deemed non-allowable, excessive, or inappropriate will be eliminated and the budget adjusted accordingly. Budgets that include non-allowable, excessive, or inappropriate items will receive a lower score. Generally, all expenditures must contribute to student success in the career pathways program.

Service contracts between members of the consortium or external service providers and technical assistants.	Supplanting existing funding or efforts, including costs otherwise necessary to operate a school or program without this grant.
Costs to extend or create a new non-profit intermediary organization to link employers and educational institutions with a primary purpose of aggregating and making available work opportunities for students. Such an entity could convene and lead stakeholders, research labor market needs and align supply and demand for work-based learning and communicate the purpose and goal of the career pathways initiative within the region.	Providing sub-grants to members of the partnership or other agencies. This includes mini grants, which are different than purchase service contracts.
Fund career specialists to convene, connect, measure, or broker efforts to establish or enhance locally defined career pathways programs, and to support the provision of workplace learning opportunities for all participating students.	Expenditures for CTE courses prior to the 7th grade.
Indirect or Administrative Expenditures (Rate approved by the Chancellor's Office is 4%).	Acquiring equipment for administrative or personal use.
Meetings and Conferences – in which the primary purpose is the dissemination of technical information (meals, transportation, rental of facilities, and other items incidental to such meetings or conferences. EXHIBIT D TO L22005*

California Ed Code

K-12 Strong Workforce Program

88827.

- (a) This section applies to the K–12 component only.
- (b) Commencing with the 2018–19 fiscal year, the amount appropriated in the annual Budget Act for the K–12 component of the Strong Workforce Program is provided to create, support, or expand high-quality career technical education programs at the K–12 level that are aligned with the workforce development efforts occurring through the Strong Workforce Program.
- (c) (1) Pursuant to subdivision (b), one hundred fifty million dollars (\$150,000,000) shall be apportioned by the chancellor's office to the fiscal agent of each consortium based on the following weighted factors in each region:
- (A) The unemployment rate. This factor shall comprise 33 percent of the allocation formula.
- (B) The region's total average daily attendance for pupils in grades 7 to 12, inclusive. This factor shall comprise 33 percent of the allocation formula. For purposes of this section, average daily attendance shall be those figures that are reported at the time of the second principal apportionment for the previous fiscal year.
- (C) The proportion of projected job openings. This factor shall comprise 34 percent of the allocation formula.
- (2) Of the amounts apportioned to each consortium pursuant to paragraph (1), 4 percent is designated for applicants with total average daily attendance of less than or equal to 140, 8 percent is designated for applicants with total average daily attendance of more than 140 and less than or equal to 550, and 88 percent is designated for applicants with total average daily attendance of more than 550, unless otherwise determined by the K–12 Selection Committee formed pursuant to Section 88829, in consultation with the consortium. For any applicant consisting of more than one school district, county office of education, charter school, or regional occupational center or program (ROCP) operated by a joint powers authority or county office of education, or any combination of those entities, the sum of the average daily attendance for each of the constituent entities shall be used for purposes of this subdivision.
- (3) The chancellor's office shall provide to the Superintendent of Public Instruction, the Department of Finance, and the Legislative Analyst's Office a schedule of proposed allocations, as determined pursuant to paragraph (1), for each consortium no later than August 30 of each year. The Department of Finance shall approve the allocation plan before the release of funding.
- (d) Funds appropriated in the annual Budget Act to support consortia administrative costs shall be apportioned by the chancellor's office in an amount equal to 1 percent of each consortium's K–12 allocation pursuant to this section to support the costs to administer the regional grant process and to support the duties of the K–12 Selection Committee.

(Amended by Stats. 2019, Ch. 51, Sec. 59. (SB 75) Effective July 1, 2019.)
