

Announcements

FCA is having Tuesday Night Lights for some Flag Football. Come join us at the football field Nov. 1 at about 6:15 for some Flag Football. Skills not required.

Juniors and Seniors: it's time to start thinking about online college classes you might be taking next semester. Now is the time to get enrolled for spring in online independent study classes such as Psychology, Sociology, EMT, CNA, Chemistry or anything else you might find.

Also - if you are thinking about attending SATC's Welding program NEXT YEAR as a Junior, you need to sign up by Christmas to reserve your spot.

Talk to your counselor for help with your schedule or getting enrolled with Salina Tech or Cloud County

We are in need of donors for the November 10th drive. Need a reason to donate? How about saving lives? How about a \$10 e-gift card? How about a second vote for your favorite Cowboy Joe candidate? Sign up outside the office or see Mrs. Burton for more information!

Hey, Disc Golfers! Sign up for a Disc Golf Scramble on Wednesday, Nov. 2 The tournament will take place across the street with tee times starting between 3:15-4:15. (This means you have time to pick up your band cookie dough AND make your tee time.) Sign up posters are outside the Media Center and the weight room. If you do not have a team of 3, do not have your own discs, or have never shot a disc, sign up anyway!! Wednesday will be one of the last beautiful 75 degree days of the year, come spend it outside with us
