ADDITIONAL SUPPLIES NEEDED

Backpack

To start the 20-21 school year, students will not have access to lockers. All students will need a standard size backpack that includes a laptop protective sleeve as students will carry Chromebooks from class to class throughout the day.

Masks

Students will be required to wear face coverings while at school and on the bus. Families will need to supply this item for their students on a daily basis.

Hand Sanitizer

Although this will be provided throughout the building, we encourage parents to provide their students with a small, travel size bottle of hand sanitizer to keep in backpack to use at their discretion.

OTHER CONSIDERATIONS

Planner/Agenda

GMS no longer provides agenda books as part of enrollment fees. If students benefit from a planner to keep track of assignments, tests, activities, etc. parents should purchase one as part of school supplies. We will also be teaching students how to use online tools to manage time and tasks.
