A Note from Nurse Lanelle

If your child will be in 7th grade this Fall, there are additional vaccination requirements for them. Please communicate with your physician to see if this applies to your child.

I will be mailing letters to 6th grade parents in May, 2022, with this reminder. Please feel free to contact me and I'll be happy to discuss any concerns you might have related to vaccinations.

Sincerely,

Lanelle McKernan BSN, RN
