

FOOD DRIVE

NOVEMBER 12 - 21

#DISCOVERYCARES

Discovery families –

November 12th - 21st, we will be collecting donations for our local food bank for distribution in the Goddard community. We will be collecting different items each week:

November 12-15: Peanut Butter and Canned Fruit

November 18-21: All non-perishable and canned food items

Students will earn Discovery Cup points for their donations and the class that earns the most points during this Food Drive will get donuts on the 22nd!

If your student hasn't told you all about the Discovery Cup yet, be sure to ask them about this fun school-wide competition!

Thank you for your incredible generosity towards our community!
