

**Searches of
Students—
Reasonable
Suspicion**

A District search of a student may occur only when the student is on District premises, or while the student is attending a school-sponsored or school-related event, either on or off school property.

1. Authorized District officials may search a student whenever the student consents to such a search; however, consent will not be obtained through threats or coercion.
2. In the absence of consent, a search may occur when a District official has reasonable suspicion that searching a student's person or personal item will reveal evidence of a violation of the Student Code of Conduct. For example, district officials may conduct a reasonable-suspicion based search for:
 - a. Alcohol;
 - b. A prohibited weapon;

Parent Notification
