### Academic Senior Team

On September 14, the seniors of the academic team started the year by facing off against two schools, Seiling and Vici. As the visitors, the Arapaho academic team went to Seiling Public Schools, which is where the matches were held. Despite losing to Vici (Arapaho - 30, Vici - 210), the team scored a victory against Seiling with a score of 120 to 90.

### Arapaho-Butler Softball Game vs. Hammon

On September 13th, the Arapaho-Butler Lady Indians played the Hammon Lady Warriors in a very hard-fought game. They played 8 innings and won! Jordan Lambeth got on base with one out. Kamryn Oakes got a base hit. A pop-up was hit to the first basemen, and Jordan Lambeth had heads up base running and took the third base because the third baseman wasn't there. Then Jaycee South hit a hard-hit ground ball to the third basemen, where she fumbled with it, allowing Jordan Lambeth to score and win the game. The Lady Indians are ranked 6th overall in Class A with a record of 24-5. Their next game is on September 19th at home against Fort Cobb at 4:30. Come support your Lady Indians!!

## The Rainout

The Sept. 13th game was at Lookeba-Sickles. We were to play a full game against Verden. Unfortunately, the game was rained out after playing 1 inning. Although, we did get to spend time in the batting cages before leaving Arapaho. Hope we have better weather in the future.

## Esports!

E-Sports has again started up for the 2022-2023 year. We had games on Aug. 27th. The teams competed on Halo, Fortnite, Call of Duty, Rainbow 6 Siege, and Paladins. We have 8 teams in E-Sports throughout high school. Coach Bryson hopes that we will have more energy and possibly win some trophies in our upcoming games!
