

Return Check Policy

When a check is written to Voyage Academy, funds should be immediately available. If a check is returned to Voyage Academy marked "insufficient funds," the school is charged a return check fee. To ensure the school follows an allocated budget, this fee will be passed on to the issuer of the "bounced check."

Voyage Academy will charge a fee of \$25 for each returned check. The issuer of the check will be notified when a check is returned and will have 30 days to pay the returned check fee and reissue valid payment. Payments for other items will NOT be accepted until all check fees have been paid and insufficient funds have been cleared.
