Transfer and Withdrawal Policy

Student transfers between Utah's public charter schools and school districts are governed by Utah State Law.

Transferring to Voyage
If a student has been offered a position at Voyage Academy and wishes to accept, the student's parent must complete all steps required to enroll their student and submit all required paperwork before the deadline provided in the student's acceptance letter.

Withdrawing from Voyage
If a student has accepted enrollment at Voyage Academy and the parent wishes to withdraw the student from Voyage for enrollment in another school, the student's parent must complete the Notification of Intent to Withdraw Form and submit it to Voyage Administration in order to complete the withdrawal of the student.

Student records will be released as soon as all appropriate paperwork is completed.

If you choose to un-enroll your student from Voyage Academy, then change your mind, you will have to re-enroll your child through the lottery. Re-entry into the school cannot be guaranteed regardless of the situation.

Disclaimer: Student membership at Voyage Academy is reported annually to the State of Utah through UTREX and through an October 1 count.
