### **Pampa ISD Bullying Prevention Plan**

## Pampa ISD Believes:

- Learning experiences take place in classroom environments where trust, mutual respect, and support exists.
- That our parents and community are valued partners in providing educational opportunities to its youth.
- Each individual is unique and of infinite value; therefore, we embrace and celebrate diversity. We treat every person with dignity, equity, respect, and trust.

In addition, we will do everything possible, both as individuals and as a campus, to create and preserve this environment through <u>proactive bullying prevention education</u>, and well defined and effective consequences for violations. **Bullying**, as defined in the student/parent handbook, is when a student or group of students engages in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle that may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

Under Texas law, "bullying" means: 1) engaging in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the district and that: has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or, 2) is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student. The conduct is considered bullying IF that conduct: 1) exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and, 2) interferes with a student's education or substantially disrupts the operation of a school.

Often, a situation falls into a different category of mis-conduct known as "student-on-student" conflict. This is different from legally defined "bullying" in that it may not meet the definition provided by the Texas Education Code Sections 25 and 37.

Any student, who believes they have been bullied, or who has seen another student being bullied, should report the problem immediately to a teacher or other adult on campus. Furthermore, any Pampa ISD employee or parent who witnesses a bullying incident should report it to a campus administrator or counselor.

For any violation of the Bullying Prevention Plan, the following steps will be taken by the staff at Pampa ISD in sequential order for each violation that occurs. \*Note: It is possible to have more than one step for a student depending on the nature and severity of the behavior.

<u>Step 1: Reporting</u> The staff member who receives the report will use the **Four- A Response Process** as outlined in the Second Step curriculum manual.

- 1. Affirm the student's feelings
  - "You were right to report/get help from an adult."
  - "I'm glad you asked for help with this."
- 2. Ask Questions
  - "Tell me more about what happened."
  - "Was anyone else aware of what was happening?"
  - "Has this happened before?"
- 3. Assess the student's safety. Determine what the student needs in order to be safe **now**.
- 4. Act- refer by official referral form to counselor and official reporting.

#### **Meeting with Counselor (separate students)**

#### Step 2: Formal meeting with parents and Counselor and/or Team

#### Step 3: Referral to Assistant Principal/Principal or other designee

\*\*\*Any further infractions will result in further disciplinary action on the part of administration\*\*\*
