

Hello and welcome to my 4th grade classroom web-site! Below is a little I love to share about myself!

I have been teaching for 18 years and love it! It has been a passion of mine since I was a little girl. Besides teaching, I spend time with my family. I have a husband, Chad, and two boys, Orvis 7 and Theodore 6. Both boys attend school here at Apollo. These two little monsters of ours keep us very busy!

We love sports, Mississippi State football and KU basketball, ROCK CHALK! You can always find us outside in the backyard! We love outdoor play and cooking meals together either on the grill or in the kitchen.

I'm looking forward to a wonderful school year and know we will all learn a lot from each other!
