GENERAL INFORMATION

Visitors

Student visitors will not be allowed during the school day. All adult visitors and parents are asked to report to the main office.

Student Cell Phone Usage

The district recognizes the need for students to be in contact with parents or guardians. However, many students lack the self-control to resist cell phone usage during academic times and are often distracted or disruptive with the device. Students will power off their phones from bell to bell each school day (8:00 a.m. to 3:40 p.m.). No usage during lunch is permitted.

Parents or guardians may utilize one of the many methods for contacting the school to get messages to their children. Students who violate the cell phone usage policy will have their phone placed in the main office for parent or guardian pick-up. Students will also face Class II disciplinary options for failing to follow the policy. Students who need to message parents/guardians may come to the office to use their phones and must immediately power off the device before returning to class.

Messages

Students will not be called from a class, an activity, or study hall to answer the telephone except in cases of emergency. If the party calling wishes, the student can return the call during the student's free time. The office phone will only be available for student use in case of emergency. Permission from school personnel shall always be obtained prior to using an office phone.

Internet Use

Students who use the school internet will sign the district's "Internet Use Agreement." Students will abide by the rules or lose Internet privileges. Also, students will follow the BOE policy listed on the school web site.

Lockers

The school cannot accept any responsibility for anything lost or taken from lockers. Lockers are school property and may be opened and searched by school officials at any time. Students cannot expect their locker to be private. Lockers will be assigned by the principal's office at the beginning of the year **when requested by the student**.

Cars

Students who drive their cars to school are responsible for them and assume responsibility in case of accident, theft etc. The school recommends you keep your auto locked when it is parked in the parking lot. All accident reports will be turned over to the Hominy Police. Students will park, upon arrival, in the designated area(s) of the school **and must exit the vehicle and enter their assigned building**. Buses will be provided as necessary for transportation from one school site to another. Students who abuse their driving privilege will not be allowed to have their car on school property. Students will not be allowed to go to their car during school hours without permission from the administration. Students must have a valid driver's license in order to drive on campus.

Motorcycles

Motorcycles ridden to school by students must be parked in the area provided. These motorcycles are not to be ridden around campus. The same parking rules that apply to cars also apply to motorcycles.

Student Medication Policy

Prescription and nonprescription medication must be left in the main office. Written permission from the parent or legal guardian on the Parental Authorization Form must accompany the medication. Telephone permission is not acceptable. Medication will be administered by the principal's office staff according to prescription instructions. The prescription must have a current date and be written in the name of the student. Parental Authorization Form may be obtained from the principal's office **or through the online student information portal**.

School Insurance

The school has a student accident insurance policy available for all students. The policy can provide 24 hour protection or an "at school" protection, whichever is preferred. Participation in the insurance program is voluntary, but is encouraged, particularly if parents have no family policy that provides coverage. Enrollment forms are available upon request.

Food Service

Lunchroom facilities are available at the middle school for lunch. The cost will be \$2.35 per meal for grades 7-12 and \$3.10 for teacher meals. Breakfast cost will be \$1.00 for all students, K-12 and \$ 1.55 for teachers. Breakfast is served at the elementary cafeteria for grades K-12 and at the middle school for grades 7-8. Milk is .40 cents. Breakfast will be served 7:30 a.m. to 8:00 a.m. There are certain provisions for lower cost meals for lower income families. Applications for these meals can be made through the principal's office **or through the online student information portal**.

Library

The school library is open each school day. All books are to be checked out before leaving the library area. Encyclopedias are not to be removed from the library at any time unless special permission has been given by the librarian. Books used for a special report may be checked out for one night. Other books may be checked out for a two-week period. Only one checkout renewal will be given on a book. A fine of .05 cents per day will be charged for any overdue book. Students will be denied the privilege of checking out a book if he/she has an overdue book or an unpaid fine. Students are urged to be careful with all books, magazines, etc.; however, if damage does occur, the student should call it to the attention of the librarian immediately so the damage can be repaired. If the damage is excessive, the student will be responsible for the replacement cost of the damaged item. All school libraries are under the direction of the board of education. Library regulations will be posted each year.

Care and Use of Building and Equipment

Hominy High and Middle School is the students home away from home during the school day. It is his/her duty to treat the building and the equipment with respect. A student should take pride in keeping the school building as clean and neat as possible. Use of the building, such as the gym, after school hours must be under the supervision of a faculty member or approved sponsor. Textbooks are issued to students free of charge each year. Since this is a free service, students are responsible for returning these books in good condition. When it becomes apparent that a book has been abused and damaged as the result of extreme carelessness or maliciousness, then the student responsible for the book shall either replace it or pay for the book. The same procedure applies to a lost book.

Fire Drills

Fire drills will be held periodically as per state law. The alarm for fire shall be one continuous ring of the bell. In the event of a fire, the following procedure will be followed:

Teachers are to see that students leave the rooms as quickly and as orderly as possible with no running or shoving.

1. Teachers will be the last to leave the room, taking their grade books with them and following the students to the area designated by the building principal. Immediately upon reaching the assigned area the teachers will take the roll of their classes to insure that all students are present and accounted for.
2. Students are not to linger to get books, coats, or any other items. They are to leave the building immediately. They are not to leave the assigned area of safety unless released either by the teacher or administrator.
3. Teachers will see their students exit the building according to the emergency evacuation plan. The emergency evacuation plan shall be posted in each classroom in full view of all occupants.

Tornado Drills

The tornado signal is a series of short rings from the bell. Parents may pick up their children in the case of a tornado warning. However, parents must come to the office and sign their child out. Students will not be allowed to leave the building with anyone other than their parent or legal guardian.

Other Drills

Other drills for security procedures, active confrontation, escaped prisoner, or other events will be held as needed per state law.

ADMISSIONS

Admissions Regulations

Admission requirements: All students of Hominy Public Schools shall reside with their parents or legal guardian (Court Document Stating Guardianship) and must present proper records (drop sheet and proof of residence) before they can enroll. Anyone wishing to enroll should have 1) latest transcript, 2) check-out grades, 3) shot records, 4) birth certificate, and 5) social security number.

Transfer Regulations

The Superintendent of Schools shall grant an application for transfer of a child from the district in which he/she resides to another school district furnishing instruction in the grade he/she is entitled to pursue if such transfer has the approval of boards of education of the sending and receiving district.

Jurisdiction

The teacher of a child attending a public school shall have the same rights as a parent to control the discipline of such child during the time the child is in attendance or in transit to the school or classroom presided over by the teacher.

Withdrawal From School

Students who drop out of school for any reason should report to the principal's office for a withdrawal slip. This withdrawal slip must be signed by the student, the instructor in each class, the librarian, the lunch custodian, the counselor, the principal, and the legal parent or guardian. Students should get a copy of their transcript and check-out grades.

ATTENDANCE

Arrival Time

All buildings on the middle and high school campus will be open to students at 7:30 A.M. and will close at 4:00 P.M. unless supervised by a school employee. Only students who have made special arrangements with a teacher and receive a pass from that teacher will be allowed in the building other than at the prescribed time. There is no reason for a student to be on the school campus before the building is open. Any student who makes arrangements to enter the building must stay in that room until 8:00 A.M. and then he/she may go to his/her first hour class.

Number of Absences Allowed

The board of education recognizes that regular attendance is one of the most important factors of success in the school setting. Failure and subsequent withdrawal from school many times is a direct result of poor attendance. Students may not have more than ten (10) absences **in each class period** a semester in order to pass. All absences will count against this total with the exception of absences occurring due to hospital confinement or homebound confinement. A note from the hospital must be turned in to the principal's office so that a record may be kept. **Notes from doctors concerning confinement will not be accepted after two days upon students returning to school.** Doctor's or dentist's office visits will count against the total. When student absences become excessive (15%) at any point in the semester, the student and parent may be required to go before the Truancy Board to resolve the student's issue with absences.

Attendance Procedure

The parents of a student should call the high school (918-885-2141)/middle school (918-885-6253) on the day or days of absence. Students should bring a note from the parents on the day they return to school. Failure to follow this procedure will result in an excused absence changed to unexcused, unless special arrangements are made with the principal.

Type of Absences

- A. Excused absence (counts against 10 total days):
1. Personal illness or serious illness in the immediate family
 2. Deaths or funerals
 3. Court cases involving the student
 4. Unavoidable doctor or dental appointments. Upon return students must turn in to the attendance office a card from their dentist or doctor verifying appointments or a note from their parent verifying an illness.
 5. Take your child to work day. Provided form from office is signed and returned by parent's employer.
 6. **College Days (Seniors only) 2 per year.** Must have prior approval, beginning immediately upon returning to school. Students with excused absences will have two full school days for each day missed to make up work. For example, if a student misses on Tuesday and returns on Wednesday, the assignment is due on Friday. The receiving of assignments and make-up work is a student's responsibility to initiate. Make-up tests will be given at a time determined by the teacher.
- B. Unexcused absence (counts against 10 total days)
- Any absence for which a student does not bring a note will be considered unexcused. Absences due to truancy, suspension, oversleeping, will be considered unexcused. Students will receive a zero for each class missed and a zero on any test or hand-in work which is due. Make-up work will not receive credit for unexcused absences.
- C. **Students who have been absent from school, for any reason, must get an admit from the office before returning to class.**

Absence Because of School-Sponsored Activity

These absences must be approved by the Principal, Dean of Discipline, and/or Athletic Director one day before the student is to miss school for the activity. These absences must be under the supervision of a school sponsor or coach. When a student leaves on a school activity, he/she is responsible for whatever assignments, test, or projects were given while he/she was gone. These assignments are due when the student returns or at the teachers' discretion. It is strongly suggested that these assignments be completed prior to the trip. NOTE: Nonparticipating students will not be excused to attend athletic event during school hours. **The State Athletic Association only sponsors district, regional, and state play-offs.** Absences to attend playoff events sponsored by the State Athletic Association will be counted as excused only if the parent wishes the student to attend. Students must be in good standing (both academically and behaviorally) with the school. Each student will be allowed a maximum of ten (10) school-sponsored activity absences per school year.

Truancy

Students who do not attend class when their parents or guardians believe they have, or students who purposefully miss class without a legitimate reason will be considered truant. Students who are truant will not be allowed to make-up work and will be subject to disciplinary action under the "Major Offense" category.

Homebound Program

The homebound program offered through Hominy High School provides students who are residents of the district and currently enrolled the opportunity to complete academic subjects when they are unable to attend public school because of prolonged illness (two weeks or longer).

Perfect Attendance

To be eligible for perfect attendance, a student may miss no more than one class period for the entire school year.

Arriving to School Late

A student reporting to school after 8:05 A.M. must use the following procedure:

1. His/her parent/guardian should call, come in with him/her, or send a note.
2. He/she must sign in at the attendance counter and obtain a pass for admission to class.
3. A student is counted absent after 10 minutes late.

Leaving School Early

The board of Education of Hominy School District, in the interest of improving the education environment and facilitating the learning process for its students, adopts the following policy requiring students to remain on school premises throughout the school day.

1. A "school day" is a day on which classes are regularly scheduled to be held the school day is from 8:05 A.M. to 3:40 P.M.
2. Students may not leave school premises during the school day except with prior authorization to the school

- from the student's parent or legal guardian.
3. The student's parent or legal guardian must telephone the office of the principal for the students building on the day the student wishes to leave the premises in order to authorize the absence
 4. The student must report to the principal's office prior to leaving to confirm that authorization has been received from the parent or the guardian.
 5. Students who leave school premises without parental authorization or without following this policy, may be subject to discipline including suspension, and shall not be allowed to leave school premises in the future only if a parent or legal guardian comes to the school in person to authorize the absence.
 6. Absence from class or a study or activity period where the students' attendance is required remains subject to the additional provisions of the school's policies on excused or unexcused absences and making up work.
7. If a student is leaving school premises during the lunch period only, then the following additional requirements will apply:
 - a. During the period, a student's parent or legal guardian must report to the principal's office in order to check the student out of school.
 - b. The student will be required to leave the school premises in the parent or legal guardians vehicle and not the vehicle the student drove to school premises that school day.
 - c. If a student is late returning from lunch, he/she will be tardy and will be subject to school policies regarding tardiness.
 8. Students attending Central Tech classes may leave school earlier than the close of a normal school day to attend Central Tech, if they comply with existing policies or practices regarding attending Central Tech classes during the school day. Failure to follow proper procedures for reporting to and leaving school may constitute an unexcused or truant absence.

Tardy Policy

A student not within the proper area/class/seat when the bell rings is tardy, and will be counted absent 10 minutes later.

1 st Tardy.....	1 Detention
2 nd Tardy.....	2 Detentions
3 rd Tardy.....	1 day of Saturday School
4 th Tardy.....	2 days of Saturday School
5 th Tardy.....	Administrative Option
6 th Tardy.....	Appearance Before Truancy Board

After the seventh or more tardy the student will be subject to administrative option.

Students who fail to fulfill punitive action in 24 hours will automatically advance to the next step under punitive action.

ACADEMICS

Grading Policy

- A. The letter grades A, B, C, D, F and I will be used to indicate the level of achievement of all students. Along with scholarship, such factors as initiative, attitude, cooperation, attendance, and individual improvement may be taken into consideration when determining the students final grade. The letter grades used will indicate the following degree of achievement.

Percentage	Letter Grade	Description
100-90	A	Excellent: a superior quality of work.
89-80	B	Above average: a good quality of work.
79-70	C	Average: satisfactory quality of work or satisfactory progress in terms of ability.
69-60	D	Below expected quality of work.
59-below	F	Failure to meet a minimum competency level.
	I	Incomplete: the student is granted an extension of time to complete course requirements.
	FA	Failure due to excessive absence.

- B. A semester test will be administered in all academic classes. All students must complete requirements in order to receive a grade for that subject. Major illness of a student or funeral attendance are the only acceptable reasons for giving tests after the close of school. Out of town trips are not considered sufficient reason to miss semester tests. Unless an emergency arises, permission will not be granted for students to take tests early. Should there be an emergency, the principal and course teacher will determine if the emergency warrants a student taking the test early.

Grade Point Average

Grade point average (GPA) is determined using a weighted grade scale. In classes taken for College credit and all Advanced Placement classes, and A is equal to 5 points, B is equal to 4 points, C is equal to 3 points, D is equal to 1 point, and an F is equal to 0 points. In all other classes an A is equal to 4 points, B is equal to 3 points, C is equal to 2 points, D is equal to 1 point, and an F is equal to 0 points. The grade point average is determined by dividing total points earned by total credits attempted.

Each student's grade point average is based upon semester grades received in all classes and is calculated upon completion of each semester that the student is in attendance. Middle school students who take high school level classes while in middle school will have letter grades on their transcripts. Also, if their grade for the high school level class is not an "A" or "B" they will not receive high school credit and they must take the class again in high school. Grades will be given each quarter and semester, and only the semester grades will be recorded on each student's transcript. If a student has not paid library fines, dues, fees, etc., that student's grade slips may be held until those responsibilities are met. Grade point average and rank in class are almost always among the criteria upon which a student's college admission is based.

School Records

A cumulative folder of student records is kept on file in the principal's office. Student records may be inspected according to provisions outlined in Public Law 93-380. In order for the school to release records concerning academic achievement, attendance, or standardized testing of any student, the parents of the student must sign a release form. Students eighteen (18) years of age or older may sign a release form themselves. This includes transcripts and entrance exam scores that are sent to colleges and universities as part of the college application. Forms for release may be obtained in the counselor's office.

Enrollment

Pre-enrollment Procedure: Pre-enrollment takes place during the second semester or at the beginning of the new academic year. The student, with the assistance and approval of teachers, parents, and counselors, elects the subjects he/she wishes to pursue. Announcements are made through the local paper concerning fall enrollment for students new to Hominy High School. New students are not considered officially enrolled until a transcript and a copy of health records from the previous school are in the principal's office.

Change of Schedule

Any student wishing to drop or change his/her schedule should make the request at the counselor's office or with a building administrator. No changes in schedules will be made after the first full week of school without the request of the counselor or the principal's approval.

Testing Services

The testing services used by the district include the Armed Services Vocational Aptitude, State Mandated Criterion Reference Tests, and other special tests that may be necessary for students with special needs.

Alternative Education

The Hominy School District recognizes that all students do not learn in the same manner. Because of this knowledge the district supports the use of an Alternative Education Program for those students needing an alternative method of completing the academic levels required by both the district and the state of Oklahoma. The following policy shall be adhered to when placing students into an Alternative Educational Placement:

1. Students shall not be placed into an alternative educational setting because of disciplinary reasons. Absences due to suspensions or other disciplinary measures shall be considered disciplinary reasons resulting in the above mentioned denial placement into the Alternative School.
2. Students who are otherwise in good standing shall be permitted to participate in extra-curricular activities.
3. Upon approval of school officials and with certification of completion of academic requirements by officials of the Alternative school, senior students shall be allowed to participate in graduation ceremonies.

Central Tech

Central Tech is located at Drumright, Oklahoma. It is affiliated with Hominy High School; therefore, all credits received from Central Tech are the same as those credits received from Hominy High School. Provisions for training were set out as follows by the Vocational Education Act of 1963.

- A. High school students, juniors and seniors. **Sophomores selected for Pre-Engineering may also attend.**
- B. Persons should have completed or left high school.
- C. Persons presently employed but who need training or retraining to achieve stability or advancement in employment.
- D. Special programs for industry.

Anyone wishing to make application to Central Tech may do so through the counselor's office. Both schools cooperate with each other on disciplinary cases. If a student is suspended from one school then that student is usually suspended from the other school. Bus transportation is provided for students attending Central Tech. Students are not to drive their cars or ride with anyone unless approved by the principal or his/her designated representative. Violations of this policy will result in suspension from school.

Class dues are used for such things as floats, flowers, decorations, prom, graduation, senior shirts, and to leave something in the classes name to the school. Class dues are the responsibility of every member.

ATHLETICS

Additionally, athletic students will be required to attend a weekly, one-hour study session during their active season. The time and day will be determined by the head coach and the coaching staff. Notification of Ahera (Asbestors)

The U.S. Environmental Protection Agency required, in the 1980s, that all public and private schools be inspected for the presence of asbestos. This inspection was first completed for Hominy Schools in 1989. Another requirement of the agency was to develop procedures for managing asbestos and to perform a visual inspection of areas of containment every six months. Hominy Public Schools continues to follow this policy of six month inspections.

Friable asbestos (asbestos that could get into the air) was found in the high school and elementary mechanical rooms. All friable asbestos was abated (removed) shortly following the inspection. Nonfriable asbestos (not in the air) was found in most buildings. This type of asbestos poses no danger to occupants and no special processes need be followed. In our schools the nonfriable asbestos is found mainly in the floor tile which obviously does not break down and allow particles to become airborne. Visual inspections of these areas are made every six months to insure no danger to occupants has developed. To date, the areas which contain asbestos pose no health problems.

A management plan and the results of bi-annual inspections may be reviewed by the public during normal working hours. The management plan is kept in the office of the superintendent.
