Attention: Parent and Guardian

Paint Rock Independent School District accepts transfer students with no transfer fee. Anyone wishing to transfer to Paint Rock ISD must fill out the transfer application. We will contact your former school. The Paint Rock ISD administration looks at the criteria below to make a decision to accept or deny the transfer:

1. Current numbers in the grade level
2. Attendance record at previous school
3. Discipline profile from previous school
4. Previous school's records of any special services
5. Previous school's academic records including STAAR or EOC scores.
6. A personal interview with parent and prospective transfer student with the campus principal.

After all requested information has been received and the family interview has been conducted the transfer committee will meet to make a decision on whether to accept or deny the transfer request. All transfer students will be expected to follow the Paint Rock ISD Code of Conduct, keep in good academic standing, and adhere to the state mandated attendance guidelines. If these are not met, the transfer is in jeopardy.
