Fax 325-442-2133

Dear Parent(s)/Guardian(s):

Date: March 2020

We want to share an important message about the coronavirus (COVID-19) illness. While there have been no reported cases of COVID-19 in this area, we are asking parents to help in the effort to minimize the potential spread of this type of virus by having your family follow the recommendations from the CDC:

Wash hands frequently

Cover your nose and mouth: When coughing or sneezing cover with a tissue or by using your sleeve or elbow

Avoid touching eyes, nose and mouth

Stay home when sick and don't return to school for at least 24 hours of being fever-free without the use of medication

In addition, the school district is following recommendations from the CDC to clean areas and equipment frequently touched by students and staff daily and encourage students to wash hands often.

If we do experience COVID-19 cases, we will take our direction from the CDC, Texas Department of Health, and the Texas Education Agency.

Respectfully,

Lizette Paceley
