Dear Parents/Guardian & Community Members:

19FEB2016

This notice is meant to provide you with information on the state mandated turnaround plan that Olfen ISD will be developing over the next few months. Please see the state required section below.

Required District/Campus Website Information:

We are hoping to gather parent and community input as we create our campus Turnaround Plan. We are writing a plan because we are currently ranked Improvement Required by the TEA, and we are in our 2nd year of this designation.

Hardcopy paper forms for input are available in the front office of Olfen Elementary. Please stop by between February 19th and April 1st to share your thoughts with our district. It is also possible to participate by providing input and suggestions online by completing the survey at the following link:

Click here → <https://www.surveymonkey.com/r/WQLV335>

Your participation in this process is important and much appreciated. As always, do not hesitate to contact me with questions or concerns.

Respectfully,

Gabriel Zamora
