The Lady Jay coaching staff has several years of coaching experience and have coached at many volleyball camps and clinics. They are also CPR and first aid certified. The senior helpers take pleasure in working with the campers and will make the camp more entertaining and enjoyable.

Everyday the campers will go through stations of setting, serving, passing and spiking. They will learn the various defenses and offenses, serve receive, blocking and how to transition on and off the net. We will also have several contests and play games throughout the camp.

- **Please bring a drink and snack everyday to camp and wear comfortable clothing.**
- The last day of camp family and friends may come and watch the campers show off the skills they have learned. **Session 1 will begin matches at 10:45, and Session 2 will begin matches at 2:30.**
