

## The pandemic made this school year difficult for many students—but it's not too late to catch up!

For those who need to retake courses, our mastery-based summer school can help.

1. Take a pretest to prove topic mastery.
2. Finish at your own pace June 1–August 13.
3. Transfer credits to your school.

English, math, science, and history credit recovery courses are available for just \$85.

Visit [highschool.byu.edu](https://highschool.byu.edu) to see a list of available courses.

Only 500 students can enroll, and spaces are filling fast. Sign up today!
