An aerial photograph of Sorrento, Italy, showing a large harbor filled with numerous yachts and boats. The harbor is surrounded by steep, green cliffs. In the foreground, a stone pier extends into the water. The text "ROME AND SORRENTO" is overlaid in white, bold, sans-serif font across the center of the image.

Rome wasn't built in a day and neither was the Colosseum— But 10 years aint too shabby!

WHO'S IN?!

Now we just need to convince your parents...

- Get them to the meeting. I will handle questions about safety and cost!
- This might be more affordable than they think! Most students use a monthly payment plan.
- Offer to pay for part of the trip:
 - Share your donation page during the upcoming holidays
 - Get a part-time job
 - Do some fundraising
- Remind them that will be an incredible life experience – and might be a great thing to write about for your college essays.
- RSVP is Mandatory! Please don't forget to RSVP! I need to know who is coming to have enough room and material for families.

PARENT MEETING:

**TUESDAY, APRIL
16TH @ 7:00PM
