Mr. Perez- 2018-2019

You will collect 20 newspaper or magazine articles for 10 Spanish- speaking nations.

Two per country. You will put the articles in a folder.

You will read and summarize each article. The summary will be in your handwriting on a clean sheet of paper. This counts as a major grade and it's due the first day of school. The only internet source you are able to use is the New York Times Sunday edition section, Las Americas. I will accept only ONE sports article!

Your folder will have a **title page** that will include the following:
