

Sra. Ward's Spanish II Pre-AP 2017 Summer Work

Students will read Ernest Hemmingway's novel, The Old Man and The Sea. Please pay particular attention to the setting of the novel, and the trials of the main character. Also be familiar with the author, his background, and what makes him a perfect choice for this job. It is very important for the student to read for details and take notes.

The student should be ready to take a test the first week of school.
