

NISD Summer School Registration Form

Name: _____ Phone: _____
 Last First Initial

Address: _____ Cell Phone: _____

DOB ____ / ____ / ____ Student ID _____

NISD will register students for summer classes on Monday June 5, 2017 at 9 AM. NISD summer school courses will be taught at Needville High School. Only Needville ISD students will be eligible to attend these classes at a cost of \$150 per ½ credit. Any disciplinary problem will result in immediate removal from the class with **NO REFUND** given.

Classes will be held Monday through Thursday from 8:00 am until 4:30 pm. Enrollment space is limited to 30 slots per session and will be on a first pay basis. All payments must be made in **CASH**. Neither school transportation nor food services will be provided for any summer school course.

The students must complete the entire course in the time allotted. No additional time will be granted after August 10th for any reason. Students that finish a class prior to the end of the summer session will be excused from the remaining days. Any student that enrolls in a class after the original start date must still finish by the final date of summer school. Students have the opportunity to work on their classes at home but must take all quizzes and tests at school. Students will only enroll in one semester course at a time. After totally completing that course, students may then pay for and start a second course. The start date on the second or any subsequent course taken does not change the finish date.

All summer school courses will be computer based. Courses will be offered online in three sessions – Session I: 8:00 am - 10:30 am, Session II: 11:00 am - 1:30 pm, Session III: 2:00 pm - 4:30 pm.

The following course offerings are planned. Asterisks denote courses that can be taught for initial credit. All other courses require prior enrollment in the course for eligibility. Students may sign up for one or more sessions per semester.

7 th Grade ELA	7 th Grade Math	7 th Grade Social Studies	7 th Grade Science
8 th Grade ELA	8 th Grade Math	8 th Grade Social Studies	8 th Grade Science
English I	Algebra I	World Geography	Biology
