

WORLD GEOGRAPHY PRE-AP SUMMER READING 2018

Mr. McDonald: mcdonalde@needvilleisd.com

Welcome to World Geography pre-AP! This class will tackle, region by region, the physical geography (landforms, water systems, climate/resources), human geography (history & government, population patterns, society & culture, and economy) and environmental geography of each country and culture region. We will work from the textbook, do extra reading from primary sources, and learn how to write critically. It's a fun class, but will entail a moderate amount of reading and writing, comparable to an English class. This summer assignment needs to be completed by the first day of school for the 2018-2019 school year.

STUDENTS WILL PURCHASE THE BOOK *GUNS, GERMS, AND STEEL: THE FATES OF HUMAN SOCIETY* BY JARED DIAMOND.

WE WILL HAVE A TEST OVER THE BOOK THE FIRST WEEK OF SCHOOL.

Feel free to email me with any questions you have. Have a great summer!
