As the largest provider of school-age child care in the Tri-State, the YMCA of Southwestern Indiana helps hundreds of children reach their fullest potential in a welcoming, supportive environment by incorporating the values of caring, honesty, respect, responsibility and faith into our childcare services. We give children the solid foundation they need to thrive—not only in school, but beyond. We offer Before and After School Care at 18 schools/sites in Posey, Vanderburgh, Warrick and Gibson counties and look forward to helping your child get a great start and finish to the day at their own school.

You can feel confident knowing that your child is safe and well cared for by highly qualified staff. All of our staff are CPR and First Aid certified and we meet or exceed state staff-to-child ratios. **Before & After School Child Care is conducted on site at your child(ren)'s school** before school from 6:30AM until school starts and from the end of the school day until 6:00PM.
