

Do you know a child
who needs extra help?

Do you know someone who
isn't progressing normally?

Help us find them.

child
FIND

Child Find is designed to **identify, locate, & evaluate** individuals from birth to 21 years of age who may need special education & related services, **free of charge**. School districts and public charter schools must ensure that a Free and Appropriate Public Education (FAPE) is provided for children who are identified as needing special education and related services.

Your local contact is:
