BACK TO CAMPUS FULL TIME

Starting Monday, September 14th, if students choose to receive on campus instruction, classes will be conducted Monday through Friday. There will be no more split days/times and alternating schedules. Face to face learning has been extremely successful during our soft opening and the faculty and staff at MWPID are excited to have all of our on-campus learners together. Please view district websites to see starting and dismissal times for each campus.

Please be aware that students and parents who choose to receive remote or online instruction, will still have that ability. MWPID is in no way saying that ALL students must be on campus to be educated. We realize that some students are still not comfortable coming to their campus amid COVID 19 concerns, so the MWPID faculty and staff will continue to have online lessons for those that choose this mode of instruction. **Again, students ARE NOT mandated to come to campus.**

MWPID will NOT have a hybrid means of instruction! For example; a student must decide if he/she is coming to campus or will receive remote instruction. Students will not have the ability to come to school a few days a week and then just stay home and receive online instruction the remaining days. We have chosen to put this in place in order to keep accurate, detailed attendance records, as well as giving our teachers the best possible advantage to educate your child. **Once the decision is made to attend face to face or online, students will not be allowed to change until after the six weeks grading period.**

I would like to thank you in advance for your understanding and cooperation as we progress through these uncertain times. Thank you, parents, for allowing MWPID the opportunity to work with and educate your children. It is a true blessing! **GO LOBOES!!**
