Math Freebie! Cut-and-Glue Workbook Pages for Kinder and First

This FREE set of hands-on math worksheets are similar to the other cut-and-glue sets found in my store. They have the same format, yet contain different problems and even have a different theme. That way, even if you have already purchased the other sets, your students will still benefit from this FREEBIE!

This set has a total of 20 math pages: 10 for kinder and 10 for first grade. Some of the pages address both grades.

This FREEBIE addresses the following CCSS for kindergarten and first grade:

K.CC.2, K.CC.3, K.CC.4, K.CC.5, K.OA.1, K.OA.3, K.OA.4, K.OA.5, K.NBT.1, K.G.5, K.G.6

1.OA.1, 1.OA.2, 1.OA.5, 1.OA.6, 1.OA.8, 1.NBT.1, 1.NBT.2, 1.NBT.3, 1.NBT.4, 1.NBT.5, 1.MD.2, 1.MD.4, 1.G.2

If you like this set, you will also like:

Kindergarten Cut-and-Glue Math

This 52-page kindergarten math workbook covers all 22 of the Common Core Standards for mathematics. There are 2 or more pages devoted to each standard. The pages come in a cut-and-glue format so kindergarteners can work on their fine motor and academic skills at the same time!

First Grade Cut-and-Glue Math

This 53-page first grade math workbook covers ALL 21 of the Common Core Standards in mathematics. There are 2 or more pages devoted to each standard. The pages come in a cut-and-glue format.

FREEBIE Terms of Use

The terms of use for my FREEBIES are different from my priced items.

You may . . .

- * Feel free to share this far and wide with colleagues, friends, and family members by allowing them to copy it, by emailing it, or by giving them the URL for the resource. (However, please DO NOT redistribute it in large numbers via the web by posting it on another website or on Google Docs.)
- * Feel free to add a picture of this item on your website or blog with a LINK back to the original store posting.
- * Feel free to use this product in multiple classrooms and settings.

You may NOT . . .

- * Post this item on your own site or other sites as a free download or for sale. You may NOT repost this item on your blog, website, or a third-party website--only a LINK to it as outlined above.
- * Claim this item as your own. It is still copyrighted material, even though it is FREE!

Please keep in mind that I worked many hours creating both the free and priced items in my store. Money was spent purchasing adorable graphics, backgrounds, and fonts for ALL of my products. This was done in order to create the high quality and child-friendly resources (both paid and free) that our students deserve. I appreciate your cooperation and understanding regarding the terms of use.

If you would like to use this item for a purpose not stated above and/or are unsure, please don't hesitate to contact me at: teachertam2@gmail.com

Counting On!
